

Selectman Races Only Contests

Two positions on the board of selectmen will be the only contests on this year's town election ballot, with the deadline for filing nomination papers having passed Tuesday at the town clerk's office.

The one year term on the board, caused by the resignation of Richard J. Bowen, who accepted a position as city manager in West Virginia, will be contested by Mrs. Virginia H. Cole, 268 Highland Road and Terrence P. Prout, 13 William St.

The three year term on the board will find four persons campaigning for voter support at the March 27 election. James Abramson, 27 Kathleen Drive; Karl Haartz, 60 High Plain Road; Mrs. Janet D. Lake, 22 Greenwood Road and Selectman Philip J. Salamone, 9 Clarisbrooke St., all filed nomination papers by the Tuesday deadline.

The nomination papers are now before the board of registrars of voters for cer-

tification. The ballot will be established next Monday at 4:30 p.m. by which time the candidates must certify their intent to seek office.

With only the selectmen slots being contested, the ballot will be the smallest it has been in several years, although there are six offices to be filled and one question to be acted upon.

ANDOVER, MASSACHUSETTS, FEBRUARY 23

Dover, N.H. Man Will Be Named Andover Manager

By Robert E. Finneran
Editor

Jared A. S. Clark, 34-year-old city manager of Dover, N.H., will be formally named Andover town manager by the selectmen Monday night.

Clark was agreed upon by the four members of the board at an informal meeting this week and will begin his duties in Andover on April 1.

Selectmen will work out a contract with the new manager between now and Monday. It is anticipated that Clark may be in attendance at the meeting on Monday.

He was one of three finalists for the Andover position, a field which included Acting Town Manager Sheldon S. Cohen, elevated to that spot following the resignation of town Manager J. Maynard Austin in October.

Under terms of Andover's town manager charter, Clark will be awarded a five-year contract. Salary is still to be settled upon between Clark and the selectmen when they meet later this week. But the position was advertised with a salary range of \$30,000-\$35,000. He receives \$23,760 in his present position.

Announcement of his intent to come to Andover was given to the city council by Clark almost two years to the day he was appointed manager in Dover, a community of 20,000. He was named manager at a

Dr. O'Reilly Is Honored

Dr. William R. O'Reilly

Dr. William R. O'Reilly, a practicing Andover pediatrician, has been named "Humanitarian of the Year" by the Merrimack Valley Chapter of the March of Dimes. In its nationwide fight against birth defects, the local chapter of the March of Dimes has chosen to honor Dr. O'Reilly's work with children during over 20 years of practice in Andover. Each year about 250,000 babies are born in the United States with some type of defect. The March of Dimes along with researchers and practicing health professionals is working daily to reduce that total.

Dr. O'Reilly will be "roasted" by his colleagues and friends in the area at a dinner dance in his honor on Saturday, March 18 at Central Catholic Auditorium. Among the local personalities to toast and "roast" Dr. O'Reilly will be Rev. Edward G. Robinson, O.S.A., Rev. William Donnelly, O.S.A., Aimee Reming, Alton Noyes, William Scanlon, Richard Aumais, Richard Neal, Dr. Nina Scarito, Dr. Paul Donahue, Dr. Joseph Rokous, Dr. Richard O'Hara, Gloria Lyons, Irene Normand and William O'Reilly, Jr. A turkey dinner will be served at 7 p.m. followed by dancing to Ted Edwards orchestra from 8 until midnight. A cash bar will be open all evening.

Tickets for the fund-raising evening may be purchased before March 13 at the

March of Dimes Office at 89 North Main Street, Andover; the Lawrence General Hospital and Bon Secours Hospital business offices; or from any member of the committee. Tables of ten may be reserved. All funds will be used for the battle against birth defects.

Serving on the dinner committee are: Jean Lynch, chairman; Joseph Bantaleo, chapter chairman, March of Dimes; Joseph Blanchette, master of ceremonies; Francis Lucas, refreshments; Ann Paradis and Ruth Rokous, tickets; Mary Ellen O'Hara and Ann Royal, decorations; Cornelia LeMaitre, publicity; Dr. Jack Wholey, entertainment; Michael and Shirley Brennan, Michael Cronin, and the art classes at St. Augustine's School, posters.

Orchestra, Choir In Concert

On Sunday, Feb. 26, at 7 p.m., in the Cochran Chapel, the Music Department of Phillips Academy will present the Academy Cantata Choir and Academy Chamber Orchestra in a Benefit Concert. This concert is being given to help raise funds to support scholarship students for the Easter Tour of Scotland.

The students will perform in cathedrals, galleries, schools, and universities in Inverness, Aberdeen, Edinburgh, and other small Scottish communities. The English-Speaking Union is currently involved in arranging housing for these Phillips Academy students with Scottish families during the Easter Weekend, for which the students will present a concert at the Union's annual winter meeting.

The program for this Sunday's Benefit Concert is an all Baroque one, featuring works by J. S. Bach and Georg Philipp Telemann. Telemann's Concerto in a minor for two flutes and orchestra, with Diane Chira (P.A. '78) and Seth Lloyd (P.A. '78), solo flutes. Bach Cantatas BWV 4 ("Christ lag in Todesbanden") and BWV 172 ("Erschallet, ihr Lieder") will also be performed.

Tickets are available at The Andover Bookstore, Phillips Academy Information Desk, Phillips Academy Music Department, and at the door.

The public is invited to attend.

Jeff Lewis

Jeff Lewis, son of Mr. and Mrs. John D. Lewis, 3 Henderson Ave., Andover, has been awarded his second varsity letter in cross-country at Norwich University, where he is a sophomore majoring in business administration.

He graduated from Andover High School in 1976.

Training

To help veterans move from military to civilian life and achieve employment stability, several agencies administer on-the-job training programs, apprenticeship training, work-study programs and educational loans and grants, as well as occupational counseling and placement services. Canines Get Top Billing On Agenda

Unlike previous sessions when the matter of canine freedom has been tucked away down in the town meeting warrant, to retain attendance, this year's discussion of the dog leash law will be up front.

The leash law is back for the third time in the past year, having been on the floor at both the annual and the October town meeting.

At this year's annual meeting it will appear as Article 5 in the regular warrant and stands a good chance of being acted upon the se-

cond night of the meeting.

So far the score is 1-1 on the dogs, the canines losing their freedom to the voters at the annual town meeting, then getting a reprieve from the attorney general. At the October town meeting, the voters passed a more liberal leash law, which was approved by the attorney general.

The entire 60-article warrant is published in the TOWNSMAN this week beginning on Page 31.

Mini Clinics Scheduled

Mary Hamilton, R. N., health department nurse, and her assistant Sally Healy, R. N. and Rita Paulekas, R.N., will be conducting miniclinics each Tuesday during March from 2 to 4 p.m. at the following locations: March 7, The

Haven; March 14, Chestnut Court; March 21, Ballard Vale United Church and March 28, Frye Circle. In addition, Mrs. Hamilton, will be at The Haven from 1-3 p.m. on March 1, 8, 15, 22 and 29.

Pole Permit Suspended

For the first time in a long time, permission to locate utility poles has run into problems before the selectmen.

Tuesday night the board voted to suspend permission granted at a January meeting to the Mass Electric Co., and New England Telephone to erect four poles on Woburn Street.

The action followed a letter from the planning board which noted

that location of the poles was for what is essentially a subdivision and could require underground utility lines.

Selectmen decided to ask the utility to hold up on the matter until further clarification could be obtained by the regular meeting of the board scheduled for Monday night at Memorial Hall library.

The poles are already in place, but no wires strung as yet.

Board Plans Discussions With Committees

Selectmen will begin a series of conference sessions with other boards and committees in March to review points of view on the operating and capital budget requests as submitted for consideration at town meeting.

Initial conference sessions are

To Conduct Session With Candidates

Acting Town Manager Sheldon S. Cohen will invite candidates for selectmen to a meeting next week to provide material on matters facing the town as they prepare for their campaigns.

Cohen said this week it was his intention to meet with the candidates and a few of the department heads to allow the candidates

to find out about issues facing the town.

The acting manager noted that the model for such a meeting was taken from another community in which it worked well, the candidates becoming prepared and knowledgeable about some of the concerns which the town will be facing following the election.

Outreach Reopens In Vale

The Andover Outreach Center recently opened in the Ballardvale Community Center under the direction of Patricia Cronan, M.Ed. and Leonard Blum, M.Ed. The center is a program of Greater Lawrence Outreach, Inc., a human service agency specializing in the prevention and treatment of drug abuse. In addition to providing drug prevention, counselors also handle other problem areas such as family or school.

Ms. Cronan holds a masters degree in counseling and community psychology

from Boston University. She is experienced in working with youth in a variety of settings including a mental health center, a public housing project, and public and private schools. Mr. Blum holds a masters degree in counseling from Northeastern University. He has worked with teenagers in a community college and in a disadvantaged youth program.

The center sponsors a supervised drop-in program from 2-5 p.m. Monday through Friday. Teenagers can participate in discussion groups, take part in activities such as macrame, auto mechanics, and creative arts. Ping pong and other games are available at the center.

Andover Outreach counselors are also available for individual and family counseling.

Whenever you drive in a snowstorm, make sure your headlights and taillights are switched on so other drivers can see you.

Boat Show

The New England Marine Trade Association for the first time is joining with New England Exhibitions in co-sponsoring the New England Boat Show, Feb. 18-26, at the modern, heated and newly renovated Commonwealth Pier Exhibition Center on Northern Avenue.

"We look forward to our greatest show," said Boat Show Director James O'Brien, noting that multi millions of dollars in 1978-styled boats, engines and accessories have been shipped to Boston from all parts of the United States and the world. More than 500 cruisers, sailboats and craft of every size and shape will be exhibited at the nine-day show being staged for the 22nd consecutive year.

Special Needs Students Subject of Seminar Series

An eight-session seminar to better acquaint the classroom teacher and interested parents with Chapter 766 and related issues, began in Andover yesterday.

According to Mrs. Pamela Kvilekval, pupil personnel coordinator, the State Department of Education funded the program.

The series will continue Tuesday at 3:30

p.m. with two guest lecturers from the Gesell Institute of Child Development at Yale. Jackie Haines and Clyde Gillespie will discuss the importance of school placement in terms of child development, as contrasted with placement by chronological age.

This topic, Mrs. Kvilekval says, has particular importance for kindergarten parents.

Parents, as well as classroom teachers, special needs teachers and administrators, may attend the sessions in the Large Group Room at Andover High. They're asked to first contact Jean C. Finn at Jackson School.

Yesterday's session featured Kathy Murphy, a representative from the Feingold Association, and included a discussion of hyperactivity and the Feingold Diet as a possible alternative to medication.

On Wednesday, March 1, the topic, "From A Neuropsychological Assessment To Educational Programming" will be taken up by Louisa Cook, education specialist from the New England Medical Center and Dr. James Reed, neuropsychologist at Tufts New England Medical Center and associate professor of pediatrics at Tufts University School of Medicine.

Ms. Cook will discuss test and school performance, and the instructional needs of children who manifest reading disability resulting from left hemisphere dysfunction, and Dr. Reed will discuss the use of the Halstad-Teitlin Neurop-

ychological tests in diagnosing mild left cerebral hemisphere dysfunction in children with specific language disability.

Further sessions will include:

March 9 — "The Motor Aspect in the Management of Hyperkinetic Children," featuring James Chan, registered physical therapist and former instructor in pediatrics at the Department of Pediatric Psychiatry, Johns Hopkins University School of Medicine;

March 16 — "Teaching Children of Divorce," with Psychologist Mary Gendler of the Growing Room;

April 6 — "Developing Behavioral Objectives for the Classroom," with Elaine Woodman, diagnostic programmer for the Groton-Dunstable Public Schools;

April 11 — "Projective Testing," with Dr. Larry Larsen, Andover child psychologist;

April 25 — "Biomedical Recommendations to Educators: Their Specificity and Limitations," with Dr. Martha Denkler, director of the Neurology Learning Disabilities Program at the Children's Hospital Medical Center.

Tanya Paul of Andover West Junior High School is creating a pillow which she may sell at the student operated Craft Shop.

Students Run Craft Shop

This year at Andover West Junior High, the students are operating a Craft Shop. A storage area has been converted into the Craft Shop at the school.

The items sold are made by students who want to make and sell items in the Craft Shop for a commission. The shop managers are learning basic business skills, inventory techniques and basic bookkeeping. The Craft Shop besides providing income for many of the students will allow them to relate their day to day academics to meaningful career opportunities.

Students learn to appreciate the economics of running a small business, including advertising, display, investment and profit.

The Andover West Junior High Craft

Shop is opened daily during lunch periods and students have an opportunity of buying and selling small gifts.

"The Locke Tavern" at 111 Main Street, Andover where the Merrimack Mutual Fire Insurance Company was founded February 11, 1828. Annual meetings were held here until 1840.

1828 Our 150th Anniversary 1978

The Merrimack Mutual Fire Insurance Company was founded by a group of prominent Andover townsmen at the home of James Locke, 111 Main Street on February 28, 1828, fifty-two years after the Declaration of Independence. Hobart Clark the first President was also one of the founders of Christ Church and the Andover and Wilmington Railroad (later to become the nucleus of the Boston and Maine). Samuel Phillips, Esquire, chosen as Secretary, was a graduate of the Harvard Law School and grandson of the founder of Phillips Academy.

Merrimack Policy No. 1 was issued on the home of Captain Benjamin Jenkins, Jr. on Salem Street. Policy No. 2 covered the residence of Amos Blanchard, 97 Main Street, which is now the home of the Andover Historical Society.

The following were elected to the first Board of Directors:

- Joseph Kittredge — Physician
- Hobart Clark — Financier, Attorney and State Senator
- Nathaniel Stevens — Woolen Manufacturer
- Abraham Marland — Woolen Manufacturer
- Moses Foster — Innkeeper
- Amos Blanchard — Cashier of the Andover National Bank

- Moody Bridges — Harness Maker and Deputy Sheriff
- Nathaniel Swift — Physician
- James Stevens, II — Innkeeper
- John Flint — Treasurer of the Andover Institution for Savings
- President of the Andover National Bank
- William Johnson, Jr. — State Senator
- Steven Abbot — Lumber Dealer

In 1913, the Merrimack was joined by the Cambridge Mutual Fire Insurance Company and in 1955 by the Bay State Insurance Company to comprise what are now known as "The Andover Companies." Today the Merrimack, together with its companion companies, is listed among the top one hundred Property and Casualty insurance organizations in the United States.

On this historic occasion, we pause to reflect upon the growth and progress of the Merrimack and its companion companies through the years and to offer our sincere thanks and deep gratitude to all of the people that have made this record possible — our employees, our agents, our policyholders and our Boards of Directors.

Andover High Notebook

By Renee Pruneau

The Andover High A.F.S. Club has been very busy trying to get the A.F.S. weekend and short term exchanges together.

The A.F.S. weekend is planned for March 17 through 19. A.F.S. students from area towns will be staying with Andover's club members. There are events planned while they are here. This gives both club members and A.F.S. students a chance to see another way of life and a chance to learn about other countries. The short term exchanges are developed for better understanding in our own country. A group of Andover High students will go to Southington Conn. May 5 through 10. There they will stay in the homes of A.F.S. club members. They will go to school with the students and live as a part of their family for five days. Special things such as a potluck supper are planned while our students are there. There is a second exchange in the works for those who can't make the first one. This will be to Glens Falls New York. The A.F.S. students from these host towns will be visiting Andover sometime soon.

Tryouts for the spring comedy, "Locomotion and Comotion, Dr. Gorilla and Me" were held last week after being delayed do to the storm. Rehearsal began

this week. The play promises to be very entertaining. With the combination of hilarious skit and talented cast, this is an event that no one should miss. The date of production is not scheduled, though it will be at the end of April or beginning of May.

The Andover High winter carnival has been cancelled for this year. The plans were great but the time too little. Instead there may be other things planned for the spring. Tentative plans have been made for a Gong Show and thoughts are floating around about a mini-carnival for elementary school children in April. These plans are sponsored by the senior class which is busy working on fundraisers to help pay for its graduation. Class members are now working on getting a speaker and thinking about the class gift.

The Junior class also has money on its mind as the prom looms closer. They are hosts of the event and will undoubtedly be sponsoring fundraisers also. The sophomore class has had about all its money raising events for the year. They've sold Bargain Packs, packages filled with health and beauty aids, and have sponsored one of the dances. They will have a lot of work ahead of them next year when it's their turn to play host at the prom.

East Junior High Happenings

The East Junior High Math Team has competed in four math meets at the Junior High Schools of Andover West, North Reading, Tewksbury and Carlisle. The East Junior High Team now stands in third place with a total of 412 points, showing behind Carlisle with 477 points and Acton with 460 points.

The team consists of ten members, 4 ninth grade, 4 eighth grade and 2 seventh grade students. Each student takes 3 tests with a total of 6 points in each test. The combined individual scores is the team total.

Chip Gonsalves, grade 7, is to date the

high 7th grade scorer for Division IV with a total individual score of 48 points. Among East Junior High team members. Nocole Romito, grade 9, is high team scorer with 52 points. Jeff Olsen, is high eighth grade scorer with a total of 50 points.

In grade 9, Nicole Romito and Robyn Parker have both had 5 perfect scores to date. In grade 8 Jeff Olsen has had 4 perfect scores, Randy Lynch and Karen Scheerer have both had 3 perfect scores. In grade 7 Chip Gonsalves has had 3 perfect scores.

The last meet is in Wilmington on

March 16.

The following art students at East will have their tempera paintings displayed at Memorial Hall Library this month and the month of March: Andrea Zaimes, Sandra Eldredge, Kevin Griffin, Jim DePiano, Louise Miller, Jim Herman and Lee Ann Gemmell.

A basketball foul shooting contest is currently being conducted as part of the after school intramural activities program which is directed by Charles Labelle at East Junior High.

The following students have advanced to the final round in the contest: Wendy Prugh, Sally Bickerton, Liz Gardner, Cindy Clinton, Donna Connolly, Sue Driscoll, Julie Barry, Aline Coderre, Barbara Bixby, J.J. Downey, Craig Silva, Steve Kilmain, Fred LeMay, Mark Walsh, Bill

Brecher, Paul Avery, John O'Neil, Bob Ruel, Colin Radford, Ryan Flanagan, Bill Depper, Tom Fabiani, Ken Smith, Mike Flynn, Dan Donlan, Geoff Reichert, Adam Wise, John Levesque, Ed O'Connor, Con Twomey, Dave Factor, Jim Barrett, Hugh Meier, Mike Walsh.

The final round and presentation of awards to the winners will take place at the end of this week.

Follies Just A Week Away

Despite New England's unruly weather habits and loss of a week's rehearsal time, undaunted performers trudge nightly to practices for the upcoming Lawrence General Hospital Follies '78.

With just over a week to curtain time, a cast of over 85 local residents are polishing up this year's Hospital Aid Association's musical revue, "Viva Vegas," the tale of a Middle American Couple's adventures in the gambling and show girl mecca.

With talent emerging from all walks of life, Directors Bob and Dorothy Canessa are molding a fun-filled evening of dancing, singing and comedy.

From a Methuen High School disco group to a comic combo of hospital engineers, the directors are channeling acting enthusiasts into the main story line of two tourists in Vegas. Highlights include a show girl kick line, doctor skit, Aid Association drill team, singing nurses, and prize fighting scene.

The Lynn directors promise a smashing success for the March 2 and 3 performances at West Junior High Andover. All

proceeds will benefit the Lawrence General Hospital Emergency Room.

Many hospital employees will be featured in the show, including the hospital's executive director, Alton Noyes, as an internal revenue agent, Mrs. Jean Spader of North Andover and Robert Haslam of Andover will play the touring couple.

Among the soloists who are hospital employees are: Mary Gardner, Lesley Salach, Janet Pellerin, Barbara Wall, Mary O'Brien, Jerry Foley, and six members of the engineering department. Other soloists include: Eleanor Andrews of Windham; Eddie Tremblay of Lawrence; Ruth Kiessling of Methuen; Doug Hamilton, Shirley Margerson, Sylvia Lewis, Paula Dudley, Fred Lee, and Chuck, Jan and Kim Cooper of Andover.

Tickets for the show are available at the Lawrence General Hospital Hospitality Shop or through any Aid Association member. Thursday night, March 2 tickets are for the performance only. Friday, March 3 is Cabaret night and all tickets include the show, a buffet at the Andover Country Club, and dancing to the show's orchestra.

Follies committee members are: Mrs. Vincent P. Morton, chairman; Mrs. George Redman, Mrs. Neville Rosen,

talent; Mrs. Clifford Elias, Mrs. Carmine DiAdamo, patrons; Mrs. Joseph Pellegrino, sponsors and program book; Mrs. George LeMaitre, publicity; Mrs. George Stern, children's page; Mrs. Thomas J. Thomas, after-theatre party; Mrs. Robert Henderson, make-up; Mrs. Neville Rosen, costumes; Mrs. Robert Goldstein, props; Mrs. Richard McCoy,

Aid Shoppers

Members of the Townsman Barbershop Chorus were helping storm-weary shoppers by bagging groceries at a market in Tewksbury following the storm. Occasionally the group brought forward a quartet to sing for the shoppers. The Townsman Chorus is encouraging all men who enjoy singing to join them each Tuesday evening at 8 p.m. at the Unitarian-Universalist Church on Rte. 133 in Andover (near the I.R.S. building).

Murphy At Symposium

A four-day Phillips Academy symposium on How Adolescents Learn involved several secondary school educators with scholars in medical, psychology and learning theory research to focus on two concerns: the ways adolescents learn and how what is known about this learning process can be made useful for secondary school students and their teachers.

James Murphy, chairman of the Andover High School Mathematics Department, was invited to join with eight Phillips Academy instructors to exchange ideas recently in small groups with university scholars, physicians and specialists in developmental psychology. The hope of Symposium participants, according to Susan McIntosh Lloyd, symposium director, is that the exchange between these 30 theoreticians, research scholars and actual practitioners in secondary education will advance understanding of the adolescent learning process.

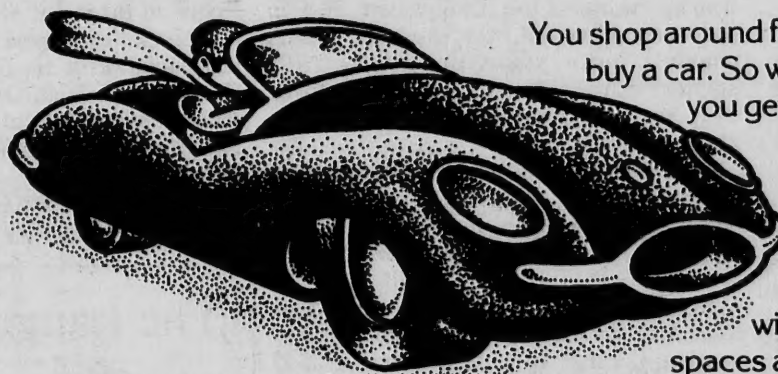

This symposium is PART I in an Inquiry into the Education of Youth, Phillips Academy's principle intellectual Bicentennial project, under the directorship of Mrs. Lloyd and the chairmanship of Headmaster Theodore R. Sizer. PART II of the Inquiry, next fall, will concern itself with the role of independent schools in U.S. education. The Inquiry is partially supported by grants from the Ford Foundation and the William T. Grant Foundation.

Warriors Clinch MVL Crown

By Jess Parks

The Andover High Golder Warriors clinched the Merrimack Valley League Title by defeating the Central Catholic Red Raiders, 77-57, in Lawrence Tuesday night.

The victory was not a spectacular one the Warriors have played better. The Raiders, spurred on by a very enthusiastic crowd, managed to stay fairly close to the Warriors in the first half and only reluctantly faded away in the third quarter.

Andover, led by their talented forward Geoff Bragdon, took a quick lead early in the game. Bragdon scored six points and the Warriors ran the score to 14-4 before Central finally got it's offense in gear. Bragdon finished the quarter with ten points and was primarily responsible for the point lead 21-11, at the end of the first quarter.

The second quarter brought some surprises to Andover. Forward Mike Hart, a vital part of Andover's offense got into foul trouble and had to leave the game. Capitalizing on this, especially at the boards, the fired-up Raiders outscored the Warriors 18-15 in the quarter, sparked by

Mike Iby, who had six points in the period. Central closed Andover's lead to seven points 36-29, at halftime.

The third quarter was decisive in this game. Led by Mike Hart and A. J. Defusco the Warriors outscored the Raiders 19-8 in the period to take a 55-37 lead. Andover

the quarter, and that lead stuck fast, neither increasing or decreasing. Andover led 67-47, and finally 77-57 — the final score.

The Andover defense was more porous than usual against Central; the Warriors had held the Raiders to under 40 points in

Geoff Bragdon led the Warriors from the floor, scoring 20 points, however, his feed passes to Eric Sullivan (8 points) and Mike Hart (12 points) were equally important. Hart and Sullivan tied for the team high in rebounds both taking down 11. A. J. DeFusco who was consistent all the way through the game from outside, scored 16 points.

For Central — four players had double-digit scoring: Dave Sullivan with 14 points, John Lavelle had 11 points, and Mike Iby and Dave Houston both had 10 points. Houston also led the Raiders in rebounds with eight.

TOWNSMAN Sports

used a fast break to their best advantage here, but equally important was the pinpoint passing of Dave Farrell and Geoff Bragdon.

Central was not onee to give up, however. They stayed with the Warriors basket for basket in the fourth quarter. Andover took a 20 point lead 57-37, early in

the two team's earlier matches.

Andover's offense, despite scoring 77 points, lost some of its finer points while using a haphazard fast break attack. The Warrior attack will have to run more smoothly if Andover is to have success against Lawrence in their upcoming game.

J.V.s Near Perfect Season

By Jess Parks

The Andover High J.V. basketball team is still undefeated, only two games stand between them and a perfect season. Tuesday night the Warrior's victims were the Red Raiders of Central Catholic High, who fell before Andover's almost unbeatable running attack, 74-34.

The Warriors took an early 9-2 lead, led by Dave Nardone's four points. Then the fireworks began. The Warriors went into a

suffocating full-court press and with a flurry of steals scored 13 points in a little over two minutes. Larry Larrabee got the best of the spurt pointwise as he scored five. However, if you had a dime for every assist made by Manny Silva...

The Warrior's practically had the game won by the end of the first quarter, 26-5. In the second period, the Andover bench couldn't quite stand up to Central's starters and the Warriors were outscored 16-11 for the quarter, but still led by 16, 37-21, at halftime.

Todd Orlando led another Andover surge, this time in the third quarter, as he scored six third quarter points. Larry Larrabee was three for four from the line to boost his five-point effort for the quarter. Andover put the game permanently out of reach in this period, outscoring Central 19-6, and taking a 56-27 lead by the time it had ended.

Melvin Berger led the Warriors in the fourth quarter with his eight points. Bob Meier had four points in the quarter and the two together overran the Raiders to give Andover a 40 point victory, 74-34.

Once again the Warriors showed that they have the best fast-break in the league (on J.V. level) and that they know how to use it. The two Andover guards continue to be impressive. Larry Larrabee has scored at least seven points in each of his last 6 games, while Manny Silva has tallied 9 or more in three out of his last four games.

The two combined for 21 Tuesday night. Larrabee with 10, Silva with 11. Melvin Berger and Todd Orlando led the team, each scoring 12 points. Dave Nardone ended up with eight points, all coming in the first quarter.

For Central Pete Gattinella led scorers with 12 points. George Harris added eight.

Volleyball Program

The Recreation Community Schools Department is offering an additional co-ed volleyball program which will meet on Tuesday evenings from 7-9 p.m. at the West Junior High School. Individuals interested in registering for this program should come to the Recreation Community Schools office on Bartlet Street in order to place their names on the class list and to pay the registration fee. The Language of Flowers

by Gerry Trull

The iris has long been used in heraldry and for ornamental designs because of its distinct form. In our ancestors' old gardens, only a few irises were found. These were known as "flags" or flower-de-luces. There was a gray-white, the old time orris, from which was obtained the fragrant powder of orris root used in cosmetics and tooth powders. Another purple iris for a time gave its name to an entire section of tall bearded irises. Intercrossing some of these varieties gave the start to the thousands of varieties now in commerce and cultivation.

Experts in floral design, **TRULL'S MILL HILL FLOWER CENTER, 411 River Rd., 851-6161** can create arrangements to meet your every floral need. If there's a wedding in your future, we can add to the beauty and joy of this very special occasion with exquisite flowers for everything from the pre-nuptial dinner to the ceremony to the reception. Hours: 9-5:30 Mon-Sat.

HELPFUL HINT

Sun and good drainage are all that are needed to cultivate most bearded irises.

Three Junior Teams Tied For Top

By Rick Harrison

St. Augustine A, Christ Church A and St. Augustine B continued undefeated and tied for first place in the Junior Division of the Andover Church Basketball League, as each posted its third successive victory in recent action.

St. Augustine A, 10-1

Jeff Smith pumped in 4 points, Jamie O'Brien 3, Mike Power 2 and Brian Poisson swished a first quarter free throw as St. Augustine A (3-0) stopped Christ Church B, 10-1.

Buckets by Smith and O'Brien in the early minutes of play were really all the winners needed.

Tim McAllister also turned in a strong effort for the victors.

Christ Church A, 36-0

Christ Church A, which has now outscored three foes by an improbable 71-5 margin, overpowered Ballardvale United 36-0.

Andy Grant led a pair of C-C performers into double figures with 12 points, scoring at least one basket in every period, and Mick Hogg chipped in 10 points.

Andy Frost tossed in 8 points, six of them in the fourth period, while Dave Pratt netted 4 first-half points and Beau Jones contributed a third period fieldgoal.

Bob Nutter and Charlie Townsend turned in solid performances for United.

St. Augustine B, 17-9

St. Augustine B (3-0) had the most difficult tilme before subduing previously-undefeated St. Roberts, 17-9.

Joe Hart scored four points and Chris Bartley added a basket as the winners jumped to a quick 6-1 lead.

However, floor shots by Chris Sapuppo and Rich Bourdelais in the second session

cut the St. Robert's deficit to 6-5 at half-time.

Hart scored a pair of buckets in the third period as St. Augustine increased its lead to 11-7, and Bartley's four points in the final period insured the victory.

Joe Hart finished with 10 points and Chris Bartley added 7 for all the scoring by St. Augustine B, the most prolific team in the division with 83 points and a 27.7 per game average.

Rich Bourdelais was high for St. Robert's with 5 points, Greg Najjar had 2 and Chris Sapuppo 2.

Steve McGettrick, Ronnie Peck, Scott Grant and Scott McAllister also played well for the victors.

Larry Middleton and Jeff Smith added strong efforts for St. Robert's.

St. Augustine C, 10-7

Sean Hynes fired in three clutch baskets in the final quarter, boosting St. Augustine C to a come-from-behind 10-7 conquest of South-Baptist.

The winners were trailing 7-4 entering the final quarter when Hynes went to work as the game hero.

Sean finished with 8 points overall and

Paul Zahornasky added 2 points. Jeremy Kaplan and Frank Odum also played well.

Dave Bartle paced S-B with 3 points, Dave Sorrie added 2 and J. Whitehouse had a bucket.

Two cords of wood were burned in an underground house during the 1976 winter in Armington, Illinois. Soil around the house is 58°F year round; heat of the summer is released slowly during the winter, Massachusetts Audubon notes. House temperature dropped from 70° to 62°F during a four-day heatless period when outside temperature was minus 25°F.

Joe Hart leads the division in scoring with 30 points and a 10.0 per game average, while hot on his tracks are Andy Grant with 26 points, Chris Bartley 23 and Greg Najjar 20.

South-Baptist Leads The Pack

By Rick Harrison

South-Baptist, watching everyone else bump each other off, remained undefeated and moved three games ahead of the pack following recent action in the Andover Church Basketball League's Intermediate Gold Division.

S-B picked up two more victories to improve its overall record to a perfect 6-0, while the co-runnersup are St. Robert's C and St. Robert's D at 4-3.

South-Baptist, 43-16

Billy Vickers and Scott Zimmerman both scored points in every period, as South-Baptist easily defeated St. Augustine B, 43-16.

S-B outpointed St. Augustine in every quarter and led 8-2, 21-10 and 31-10 at the first three checkpoints.

Vickers finished the game with 20 points and Zimmerman added 17 as a devastating 1-2 punch. Jim Denoncourt flipped in four first half points and Darren Lowe added a fourth stanza bucket.

Joe Nerden led the St. Augustine B counter-attack with 8 points, all in the second session, while Mark Perlowski netted

6 points in the last period and Glen Markey had a first quarter fieldgoal.

Rich Nerden, Ken Doherty and Joe Wescott also played well for St. Augustine B.

St. Robert's C, 23-13

St. Robert's C held high-scoring Steve Johnson to just three points, breaking the game open in the second half enroute to a surprisingly easy 23-13 conquest of a taller West Parish team.

Tony Romano, son of the University of Lowell basketball coach, led the victors' offense with nine points. Buddy Ward and Neil Saunders chipped in 6 points each, and Robbie Veilleux had a first half basket.

Billy Saunders, Tom O'Brien and Kevin Salava also turned in strong defensive efforts for St. Robert's C, which led 9-5 at halftime.

West Parish was guided by Jim Lowe with 6 points, J.R. Lindquist 4 and Steve Johnson 3.

Rick Desmarais, Danny Kimball, Charlie Lowe and Andy Thompson were other stalwarts for WP.

St. Augustine A, 20-16

A tight zone defense by St. Augustine A. coupled with St. Robert's D's inability to shoot well over the zone from outside, were the main factors in this minor upset.

The game was taut for three periods, being tied 4-4 after one and 14-14 after three. A 6-2 St. Augustine burst in the final stanza pulled it out.

Dick Kelley was the lone double digit scorer for either side, tossing through 10 points for the winners.

Pete Scanlon contributed 6 points and Tom Bolduc 4, while Kevin Lynch chipped in a solid effort.

Jim Terrion placed St. Robert's D with 8 points, Bobby French hooped 4 and Todd Sleath had 4.

Tom Middleton, Dan Boland and Dan Poore played well defensively for St. Robert's D.

South-Baptist, 23-22

The quick and aggressive South-Baptist quintet capitalized on numerous turnovers by the taller St. Robert's D squad, pulling out to an 18-11 halftime lead before holding on for a 23-22 triumph.

Billy Vickers spearheaded the divisional leaders with 11 first half points.

In the second half, however, St. Robert's used a combination of defensive alignments to shut off the S-B offense and limit the victors to a paltry five points in two periods.

But for the second straight game the St. Robert's D offense remained in low gear and deprived it of a much-needed victory in this spirited contest.

Vickers finished as game-high marksman once again with 13 points, while Scott Zimmerman chucked in 8 and Darren Lowe had a first period bucket.

Jim Terrion hit double digits with 11 points for St. Robert's, Bobby French notched 8, Tom Middleton a pair and Dan Boland had a second quarter charity toss.

St. Robert's C, 41-10

St. Augustine B was unable to handle the improving St. Robert's C team full-court pressure defense in a lopsided 41-10 game.

It was only 7-3 after the first quarter, but a 12-0 run in the second session sent St. Robert's C well on its way.

Tony Romano led seven of the winners into the scoring column with 17 points, while Buddy Ward Stuffed 6 and Steve Albert 5.

Neil Saunders and Tom O'Brien popped in 4 points apiece, Robbie Veilleux 3 and Keven Salava 2 points.

Tony Romano's output gives him exactly 100 points for the season, tops in the Gold Division.

Ken Doherty led the answering fire for St. Augustine B, dunking 5 points, while Glen Markey swished 3 and John Nerden had a last period basket.

High-scoring Joe Nerden was well-defended and kept off the board.

West Parish, 30-25

Dan Kimball, short on stature but long on points, led the potentially strong West Parish team to a 30-25 decision over St. Augustine A.

Kimball played his finest game of the year, leading all marksmen with 12 points, as WP zipped out to a 10-2 lead and held off St. Augustine the rest of the way.

Steve Johnson returned to twin figures with 11 points, J.R. Lindquist hooped 3, Rick Desmarais 2 and Jim Lowe 2.

Dick Kelley topped St. Augustine A with

11 points, but managed only three in the second half, while Mark Connolly flipped in 8 markers before fouling out.

Rounding out the attack were Tom Bolduc with 4 points and Brian Mackey 2.

Mike Surette was another St. Augustine A standout.

Little League Registration

Registration for the Andover Little League 1978 baseball season will be held on Saturday, March 4, at the Andover West Jr. High School cafeteria from 9:30 to 3:30.

Any child, whose home is in Andover, who is at least 9 years old but not yet 13 years old on Aug. 1, 1978, is eligible to play.

Registration forms and instructions can presently be obtained at local schools. They will also be available on the day of registration at West Jr. High. Little League officials will be present to answer questions and help with any special problems. For all children who have not previously played in the Andover Little League program, it is important that a birth certificate (or copy) be presented with the registration form. The birth certificates are not kept by the Little League.

Six In District Ski Race

The fourth and final district race of the Bill Koch ski League was held in Carlisle on Saturday, February 18th. Six Andover racers participated: Mark Perlowski, Jeff Shupe, Dee Dee O'Neil, Hilly French, and Tom and Jerry Witt. Their finishing times earned them places ranging from sixth to honorable mention.

Other skiers, choosing a ski tour rather than a race, skied through the Taft Reservation.

A ski tour is planned for Saturday, Feb. 25. The meeting place will be at the football field at Phillips Academy at 10. Parents, brothers and sisters are particularly invited to join the tour. A final end-of-season ski tour and cookout is planned for the first weekend in March.

By Rick Harrison

South-Baptist reeled off the last 13 points of the game to overcome an eight-point fourth quarter deficit, trimming winless St. Augustine B 36-31 in the only Andover Church Basketball League Senior Division game reported last week.

St. Augustine B led 9-6 after one quarter, 14-12 at halftime, and 27-23 entering the final period.

Steve Parker netted a pair of quick buckets to make it 31-23, but Steve Rathbun's 12 points sparked the late S-B surge to pull out its second victory in eight ACBL decisions.

The eventual game-winning and go-ahead bucket came with just 1:30 to play, giving South-Baptist the lead for the first time in the game.

Senior Division scoring leader Rathbun went over the century mark for the season, pouring in 18 points to give him 108 and a 13.5 per game average.

Art Dunleavy chipped in 7 points for South-Baptist, while Tom Steadman netted 6, Scott Tobey 3 and Tim Whitton 2.

Mike Carbone and Larry Soule also played well for S-B.

Steve Parker, third high scorer in the division, led the St. Augustine B charge with 15 points and Greg Shepard tossed in 7.

Ted Sirois swished three free throws while John Parker, Tim Madden and Mark Boyle added single baskets.

Bob Laterie also turned in a fine effort for St. Augustine, which played without high-scoring Steve Farrington.

S-B led in fieldgoals, 15-13, and hit 6-of-12 charities to St. Augustine's 5-of-13.

Schedule

Last night, after TOWNSMAN presstime, Christ Church battled South Baptist, St. Augustine B faced St. Robert's A, and Ballardvale duelled St. Augustine A.

Next Wednesday night's action at the West Junior High gym has St. Augustine A vs. St. Augustine B at 6:15 p.m., St. Robert's A vs. Ballardvale at 7:15 p.m., and St. Robert's B vs. South-Baptist at 8:15 p.m.

Scoring Race

Steve Rathbun leads the way with 108

points, Mark Rogers of Christ-Church has 74 and Steve Parker 62.

Racers Place At Sudbury

The third district race of the Bill Koch Ski League was held at Sudbury on Saturday, February 4th. Five Andover skiers braved icy cold and hard-packed tracks.

Mark Perlowski finished fifth and Dee Dee O'Neil, ninth. Honorable mentions were won by Jeff Shupe and Tom and Jerry Witt.

The final district race is scheduled in Carlisle, Saturday, Feb. 18.

Tigers Capture AYBL Playoff Spot

The Tigers became the third Andover Youth Basketball League team to assure itself a post-season playoff slot. The Junior Division ended its second round in last week's action with the Tigers in first place and the Jaguars as the runnerup, a reversal of the first round's final standings. Both teams stand at 9-1 overall. streak to nine, the league record for this season. Dartmouth and Harvard also remain undefeated in the division's second-half schedule.

The Knicks ended the Lakers winning streak at six in the Senior Division. The Lakers now stand at 6-1 while the Celtics are one game off the pace at 5-2.

Junior Division

The second round ended last week with the Jaguars, Leopards and Tigers picking up victories. The Jaguars and Tigers are both slated for playoff slots in the division's post-season play.

Leopards-18, Lions-17

In the battle for third place the Leopards topped the Lions in a see-saw contest. Trailing by five at the quarter, the Lions cut the margin to three at the half, trailing 10-7. In the third quarter the Lions ran off six unanswered points to lead 15-12 going into the final period. Then the Leopards Mike Burke and Jerry Buss keyed the defense while Mark Doherty and Matt Ostrowski had the hot shooting hands as the Leopards outscored the Lions 6-2 for the final margin. The Lions Greg Hopwood finished with a game high of 13 markers.

Leopards: Doherty 9 and Ostrowski 9. 10-8-18.

Lions: Hopwood 13, Mark Patti 2 and Lydia Wise 2. 7-10-17.

Tigers-17, Panthers-13

The Tigers finished the second round undefeated by dropping the Panthers in a close contest. The win ran the Tigers unbeaten streak to six. The Tigers winning margin was established in the first half as they jumped out to a 7-3 lead. The Panthers turned tough in the second half but were unable to close the margin. Larry Aiello and Tom Novelline had good rebounding games while Pete MacDonald played a fine defensive game for the Tigers.

Tigers: Tim Perry 7, Joe Hart 4, Kevin Bardsly 2, Steve Blair 2 and Rob Padva 2. 7-10-17.

Panthers: Tom Lutz 10, Mike Melia 2 and Matt Burke 1. 3-10-13.

Jaguars-25, Cougars-9

The Jaguars ran their record to 9-1 overall by dropping the winless Cougars. The Cougars were unable to do anything right offensively until the final quarter, but by then the consistent Jaguars had built up a 16 point margin. The halftime score was 11-3 Jaguars. Jimmy Lombardo had his best offensive game of the season while Eric Asgeirson and Patti Palma played excellent defensive floor games. Joey Flossman had a fine defensive game for the Cougars.

Jaguars: Brian Mackey 14, Lombardo 6, Chris Comparato 3 and Dan Sheehan 2. 11-14-25.

Cougars: Fran Sullivan 4, John Terrion

4 and Ed McParland 1. 3-6-9.

Intermediate Division

Boston College, Dartmouth, Harvard and Villanova emerged as victors last week. Boston College stands alone as the AYBL's only undefeated team this season.

B.C.-41, HOLY CROSS-40

Five players hit double figures as Holy Cross came within one point of upsetting divisional leader Boston College. B.C. appeared to have the game well in hand through 3 periods with quarter scores of 10-4, 18-10 and 32-22. Holy Cross exploded in the final period, outscoring B.C. 18-9, falling just short. The Crusaders had an opportunity to win the game in the final 7 seconds, but the Eagles tied the ball up at mid-court and then forced a last second desperation shot which fell short. Dick Kelley, Todd Lockwood and Jon Baer led the Eagles while Jim Terrion and Billy Vickers led the Crusaders.

B.C.: Kelley 17, Lockwood 14 and Baer 10. 18-23-41.

Holy Cross: Terrion 18, Vickers 18, Steve Holt 2 and Rob Slayton 2. 10-30-40.

DARTMOUTH-29, NORTHEASTERN-24

Dartmouth racked up its sixth consecutive victory in dropping the Huskies. Northeastern played the Big Green tough throughout the contest, being tied at 11 at the half and trailing by two at 21-19 after three periods. Matt Hoyle and Todd Lawrie led the improving Huskies defense while Tom Middleton had a fine game off the boards.

Dartmouth: Steve Johnson 13, Tom Kannam 8, Mark Nardone 4, Gerry Ahern 2 and Kelly Shannon 2. 11-18-29.

Northeastern: Bob French 14, Ricky Desmarais 7, Lawrie 2 and Hoyle 1. 11-13-24.

HARVARD-25, NC STATE-17

Harvard ran its overall record to 6-3 in stopping improving NC State. Both teams opened cold as State held a 7-6 lead at the half. The Crimson iced the game in the third period using their press and fast break to outscore State 15-4 to take a 21-11 lead going into the final period. State then rallied briefly in the last quarter, but the third period bulge was too much to overcome.

Harvard: Matt Wells 8, Scott Zimmerman 8, Ron Lindquist 5, Billy Weidman 2, Brian Bedell 1 and Doug Lindquist 1. 6-19-25.

NC State: Marc Bolan 6, Brett Larabee 4, Eric Swift 4 and Allison Hill 3. 7-10-17.

VILLANOVA-29, B.U.-14

Villanova used big first and last periods to up their overall record to 6-3. The Wildcats outscored B.U. 9-1 in the first quarter and 11-4 in the last to drop B.U. to their seventh straight loss. The two teams played the middle periods even, scoring 5 in the second and 4 each in the third.

Villanova: Rob Harrison 10, Chuck Frazzette 6, Brandon Bachner 5, Brian Orlando 4 and Sean Trombly 4. 14-15-29.

B.U.: Jon Bram 5, Jeff Canovitch 5, Glen McAnally 2 and Tom Powers 2. 6-8-14.

avenging an earlier 34-32 overtime loss in the teams' first meeting. The first half opened with the Lakers apparently enroute to their seventh victory, leading 10-7 at the quarter and 20-11 at the half. The second half was all Knicks, however, as they outscored the Lakers 16-6 in the third quarter and 10-7 in the final period. Tim Morris played a fine defensive game for the winners and Tom Haskard was outstanding on the boards.

Knicks: Gary Sanderson 12, Dave Fluet 10, Rob Kochakian 6, Haskard 5, Bob Foley 3 and Morris 1. 11-16-37.

Lakers: Barry Bloom 10, Ted Liszewski 6, Connie Twomey 5, Jay Flynn 4, Dennis Glynn 4, Glenn Acciard 2 and Bob Kimmerle 2. 20-13-33.

Vale Moves Closer To Title

13

THE TOWNSMAN, FEBRUARY 23, 1978

By Rick Harrison

Ballardvale United remained undefeated and moved two steps closer to the Andover Church Basketball League Intermediate Blue Division championship, registering its sixth and seventh victories of the season recently.

At 7-0, BU is two full games ahead of second place St. Robert's B (5-2) and three games up on St. Augustine C (3-2).

Ballardvale, 32-8

Steve Todd poured through 16 second half points, as United broke open a tight game in the second half and rolled to a 32-8 triumph over Christ Church B.

C-C had grabbed a 4-2 first period lead, but baskets from Rod Hollenbeck and Jeff Crowninshield in the second quarter boosted BU ahead 6-4 at intermission.

Todd exploded for 10 points in the third stanza when Ballardvale put the game out of reach with a 12-0 burst.

Todd finished the contest with 16 points, Dave Baker added 8 including six in the last period, Jeff Crowninshield hooped 4 and Hollenbeck 4 points.

Also playing well for BU were Scott Stephens, Tom Darling, Dana Belpedio and John McIntyre.

Steve Blair was the big man for C-C with 6 points, while Billy Earnshaw swished a pair of first period free throws.

Eric Anderson, Nancy Rogers and Chris Wright were other standouts for the Crusaders' B team.

St. Robert's B, 20-10

St. Robert's B outpointed intra-church rival St. Robert's A by small margins in each period enroute to its 20-10 victory.

Jeff Vecchi emerged as game high scorer for the B crew with 8 points, John Veilleux netted 5, Tim Miller 4, Bob Dziedz 2 and Kevin Ward contributed a free throw.

Chris Chinchillo, Dave Lindsey and Matt Chinchillo were defensive standouts for the victors.

Pumping through single baskets for the A squad were Chris Fay, John Williams, Dave Reed and Kevin Byrne. Jon MacLean tossed in a brace of charities in the fourth period as well.

Other fine efforts were turned in by

Entrance Exams Set At Voke

The Greater Lawrence Regional Vocational Technical High School will conduct the entrance examination on Saturday, March 4, 1978 at 8 a.m. in the James A. Booth Lectorium, Greater Lawrence Regional Vocational Technical High School, 57 River Road, Andover.

The DAT examination should be taken by all students in the region who wish to enter the school in September who have not yet taken the test. The exam will be for secondary and institute levels.

The examination for the Practical Nurse Program, as required as part of the admissions procedure will be administered on March 4, 1978.

All tests begin at 8 a.m. sharp and will be over at approximately 12 noon. Applications need not be completed prior to examinations.

John Terrion, Mike Sleath and Jeff Dowell.

St. Augustine C, 7-6

St. Augustine C and Christ Church A were knotted 4-4 after one period, but that was the only time the game was tight as St. Augustine shifted into overdrive thereafter and dominated the last three quarters.

Paul Burke, scoring in every period, led two of the winners into double figures with 16 points. Jay Madden chipped in 10, Andy Satori 4, Scott McNamara 4, Pete Zompa 2 and Rich Sullivan had a free throw.

Tossing in single baskets for Christ Church A were Chip Wood, Alan Gable and Roger Fisk, while Sheryl Hough and Lori Franzese also played well.

St. Robert's B, 14-8

St. Robert's B remained in contention with a hard-fought 14-8 decision over St. Augustine C, handing the latter club its second loss of the campaign.

There was a slim two-point difference in the score at each of the first three quarter breaks, but then St. Robert's went on a 6-2 run in the final period to insure the triumph.

Jeff Vecchi, who contributed four of those last period points, finished the game with 10 markers altogether.

Kevin Ward added a first period basket

and Tim Miller a fourth session fieldgoal for the winners.

Paul Burke stuffed 4 points, Jay Madden 2 and Tim Riley had 2 for St. Augustine C.

Ballardvale, 47-5

BU placed three players in double figures on the way to its lopsided 47-5 victory over Christ Church A.

Rod Hollenbeck and Steve Todd shared game-high honors with 14 points apiece, while Dave Baker delivered 13, Scott Stephens 4 and Dana Belpedio had a second period basket.

Tim Jennings and Chip Wood stuffed first period buckets for Christ Church A,

while Steve Francis canned a last period free throw.

St. Robert's A, 22-3

St. Robert's A placed seven different players in the scoring column in a balanced 22-3 decision over Christ Church B.

Kevin Byrne produced all 7 of his points in the third quarter, when the victors broke the game open with a 9-0 burst.

John Terrion added 5 markers, Chris Fay 4, John Williams 2, Geoff Dowell 2, Mike Sleath a free throw and Jon MacLean a charity.

C-C scored its three points from the foul line, Steve Blair sinking two charities and Matt Leonard one.

Casting Call Is Issued

Elliot Winnick, director for ACT'S Forthcoming N.E.T.C. production "George", has announced a casting call for Wednesday, March 1, 7:30-9:30 at Memorial Hall Library.

N.E.T.C. is the New England Theater Conference held in May at Brandeis University, featuring competition from a variety of community theaters. "George", a one-act comedy, has a cast of two men and two women, whose ages could range anywhere from 20's to 50's, and takes place in Marblehead. Although the author is unknown, the dialogue is reminiscent of Noel Coward-type repartee.

Winnick last directed "Prisoner Of Second Ave" for A.C.T. last December. He has directed "George" in other areas of the country — for example, it was presented with rotating casts over 300 times in Evansville, Ind.

Erin J. Tiernan

June Wedding Is Planned

Mr. and Mrs. John J. Tiernan of Andover announce the engagement of their daughter, Erin Jane, to Neil J. Cronin of Windsor, Conn. Mr. Cronin is the son of Mr. and Mrs. George C. Cronin of Saugus, Mass.

Miss Tiernan, a graduate of Boston University, will receive her Master's degree in Counseling from Boston University in May.

Mr. Cronin, a graduate of Northeastern University, is employed as a project engineer at Hamilton Standard in Windsor Locks, Conn. He is a candidate for a Master's degree in Engineering at Rensselaer Polytechnic Institute, Hartford branch.

A June wedding is planned.

Andover Teacher Is Engaged

Christine M. Sullivan, a science teacher in Andover secondary schools, is engaged to James C. Zampell of Beverly.

The engagement was announced by the prospective bride's parents, Mr. and Mrs. James B. Sullivan, formerly of Andover.

Mr. Zampell is the son of Mr. and Mrs. Thomas J. Zampell of Beverly.

An August 12 wedding is planned.

The bride-to-be graduated from Nazareth Academy and Merrimack College, and is doing graduate work at the University of New Hampshire. Her fiancé, a graduate of St. John's Prep and Merrimack College, is doing graduate work at Northeastern University. He is associated with Zampell Refractories, Inc. of Beverly.

Christine M. Sullivan

May 21 Wedding Is Planned

Deborah A. Booth

Mr. and Mrs. Charles G. Booth of Lawrence have announced the engagement of their daughter, Deborah, to John

F. O'Brien, Jr. of Andover. The prospective groom is the son of Mr. and Mrs. John F. O'Brien, 41 Red Spring Road.

Miss Booth graduated from Greater Lawrence Regional Vocational Technical High School and is employed at Lawrence General Hospital. Her fiancé, also a graduate of Greater Lawrence Vo-Tech, is in the U. S. Air Force, stationed at Reese Air Force Base in Texas.

They plan to be married May 21.

Council Gathers Can Goods

The newly elected student council at the South School in Andover wasted no time in undertaking an important community project.

At their first meeting of the term, the sixth grade students have organized a collection drive of can goods and warm clothing to aid the victims of the "storm of the century." Students will coordinate their efforts with the American Red Cross to lend aid to more than 42,000 persons

who suffered some type of loss in Massachusetts. Donations for the drive will be collected during the week at the School and be contributed to the Red Cross Disaster Relief Drive begun in Boston immediately after the snowstorm that left hundreds of Massachusetts residents homeless and damaged many businesses and residences.

Students representing their home rooms on this semester's student council are: Erica Wilson, Heather Wilson, Jennifer Smith, and Joanne Saalfrank. The previous student council has lent their support to the Toys for Tots program and St. Anne's Home in Methuen. William Skadany is the teacher coordinator of the group effort.

In 1929 the haddock catch was 294 million pounds; in 1972 the catch was 12 million pounds.

Places Third

Kathy Todt, of Andover recently placed third AA in a combined compulsory-optional gymnastic meet held at Stage Door Studios, Lawrence. Kathy is a member of the Stage Door Studio's team which has been taking top awards for the past two years. Her qualifying scores admit her to the U.S.G.T. Class II state championships to be held in April.

The first Academy Award given to something other than a human being went to Mickey Mouse in 1931-32.

Mrs. Martin A. Maceda

Maceda - Maloney

Miss Denise M. Maloney, daughter of Mr. and Mrs. Frank A. Maloney, 22 Johnson Road, Andover, became the bride of Martin J. Maceda, son of Mr. and Mrs. Martin A. Maceda, Plainville, Long Island, N.Y. at a Jan. 14 ceremony in Collegiate Church of Christ the Teacher.

Rev. Joseph D. Calderone officiated.

Given in marriage by her father, the bride wore a gown of white quiana trimmed with lace. She carried a prayer book covered with red roses, stephanotis and ivy.

Miss Nancy K. Maloney, sister of the bride, was maid of honor. Bridesmaids

were Miss Kerry Maloney, sister of the bride, Miss Ellen Kiley, Miss Janet Cohen and Miss Sheila Maloney.

William Maloney, brother of the bride, performed the duties of the best man, while Philip Miller, Daniel Leary, Robert Engman, and Victor Allegio ushered guests.

A reception followed in the Andover Inn.

The couple will take a wedding trip to the West Indies and will reside in Northampton.

Mrs. Maceda attended Abbot Academy, Merrimack College, the Cochran School of Art in Washington, D.C.

Her husband attended Chaminade School, Merrimack College and is a graduate of the University of Massachusetts. He is a graphics artist.

Celebrity Series Begins Wednesday

Newton Wayland

The Ladies of Merrimack — and there are more than 500 members — are not "Name Droppers". But they do know celebrities know how to approach them, and sign them up for the popular "Moments of Diversion".

In response to public demand from students and working men and women the 1978 series will offer one evening program as well as its traditional morning series.

Mrs. Richard S. O'Hara is chairman of the celebrity series to benefit the college.

The first celebrity will be Elliot Norton, drama critic for the Boston Herald-American and moderator of "Elliot Norton Reviews," on Channel 2 appearing

March 1 at a breakfast held at the Lanam Club, he will have some reflections on the theatre.

On March 15, Fiandaca, couturier and designer will present a fashion update to reveal details on his spring and summer collections, with a luncheon held at the Lanam Club.

The evening performance will be on March 31 in the S. Peter Volpe Physical Education Building, Newton Wayland conductor, arranger and guest conductor for the Boston Pops will perform, "An All-Prokofiev Classical Family Concert" written by Sergei Prokofiev, one of the great musical geniuses of the twentieth century. The program will feature Troika (Sliegh Ride) from Lt. Kije Suite, Classical Symphony (First Movement) with Humorous Poems, and Peter and the Wolf, the symphonic tale which has delighted people throughout the world with its marvelous story. Mr. Wayland will perform with a 35 piece Symphonic Orchestra from Boston.

Mrs. Kenneth Osborn, president, is supervising lecture preparations with the chairman, Mrs. O'Hara. Assisting are: Mrs. Richard H. Harrington, Mrs. John J. Burke, Mrs. Robert W. Phinney, Mrs. John O'Connor, Mrs. Harry R. Dow, 3rd, Mrs. Saul Jaffe, Mrs. Norman Gosselin, Mrs. S. Arthur McGovern, Mrs. Thomas J. Doyle, Mrs. Robert Norbedo, and Mrs. M. Anthony Lally.

HIRE Launched

President Carter and leaders from business, industry, labor and veterans organizations launched the HIRE — Help Through Industry Retraining and Employment — program in a ceremony June 14 at the White House.

Workshop Rescheduled

The Andover Recreation Community Schools Department has announced the rescheduling of some of its workshops which were cancelled due to last week's storm.

The "Self Awareness Intensive Workshop" scheduled for Feb. 11 will be rescheduled to Saturday, March 4 only from 9 a.m.-5 p.m. at the Bancroft School.

The Dried Floral Wreath Workshop scheduled for Tuesday, March 7 at Recreation Park Lodge is rescheduled to Monday, March 6, from 9:30 a.m.-12 noon at the Ballardvale Community Center.

The Herb & Spice Wreath Workshop also scheduled for Tuesday, March 7 at Recreation Park Lodge is rescheduled to Monday, March 6 only, from 12:30-2:30 p.m. at the Ballardvale Community Center.

Those persons who have previously registered with the office for these classes

and cannot attend the rescheduled class should apply for a refund prior to the class's meeting date.

Openings are still available for all of the above classes. Registration and further information can be obtained from the Recreation Community

Schools Department, 36 Bartlet Street.

President Carter has signed the Youth Employment and Demonstration Projects Act of 1977, which initially will provide 200,000 job training opportunities for young people.

Ice Cream Knows No Season

South School pupils and their families braved icy temperatures last Thursday and headed back to the building for an annual sell-out: the ice cream smorgasborad.

Clockwise, beginning at lower right, Marsha Clark gives Lynn Lim the "jimmies"; Anna Minkinen disposes of some empties; Jennifer Winn and Effie Sara Kas savor every bite; sundaes, complete with whipped cream, are ready for customers.

Newcomers Go A Courting

The Newcomers Club of Andover-North Andover held a get-acquainted tennis party Saturday night at the Willows Racquet Club and some old friendships were renewed as well.

Clockwise, beginning at bottom right: Gary Auguelet, Mike Barry and Jim Garland await their turn on

the court; Harry Fromme and Alan Buchholz end game with traditional meeting at the net; Gale Ross gets in a two-handed shot and Marlon Polickinski and Debbie Lenick, who used to live near each other in Michigan, get a surprise when they both turn up there. That's David Walsh witnessing their reunion.

To Lecture At College

The third lecture on the topic of Catholicity and Social Justice will be presented at Merrimack College on Sunday, Feb. 26, at 7 p.m. Father Regis Duffy, O.F.M., will address the theme "The Christian Baptismal Vocation to Social Justice Ministry" in the McQuade Library Auditorium. The lecture is open to every one and free of charge.

Father Duffy was ordained 17 years ago and has taught on high school and college levels. He has also worked in campus ministry and in parishes, both in the United States and abroad, for five years. Three of those pastoral years were spent as part of the priestly team of the experimental parish of St. Severin in the Latin Quarter of Paris.

Father Regis holds seven academic degrees among which are a terminal degree from the Institut de Liturgie of Paris and a doctorate in sacramental theology from the Institut Catholique of Paris. He has also done post-doctoral work in Paris at Hautes Etudes, Sorbonne University.

Currently, Fr. Regis is an associate professor at the Washington Theological Union and has been a visiting professor at Princeton Theological Union and has been a visiting professor at Princeton Theological Seminary. He is involved in re-education and pastoral workshops here and abroad. His talks are distributed nationally on cassette tapes by NCR and by Time Consultants.

Seifert Speaker At Church

Dr. Kenneth Seifert, Supt. of Andover Public Schools will be speaking at The Andover Baptist Church at 7 p.m. Sunday, Feb. 26. He will be speaking on urban living as seen in Andover and how this relates to the values and priorities of adults and children. Following his talk there will be a period for open discussion. The main emphasis of the talk will be to take a look at the quality of living in urban areas and whether this style of living is producing the children and adults envisioned. The public is invited to attend.

Pre-Registration Set For Kindergartners

Pre-registration for Andover youngsters who will be entering kindergarten in September 1978, will be held from Feb. 27 to March 3.

Parents whose youngsters will be five years old before Sept. 1 are asked to contact their neighborhood school for the regular or "contemporary" program, and West Elementary School for the traditional alternative.

A parent orientation program will be held at 7:30 p.m. on March 20 at West Elementary School, to discuss kindergarten and pre-kindergarten screening as well as other kindergarten registration issues.

Because of the change in the cut-off date for kindergartners, parents who would like their "fourth quarter" youngsters — those who will be five between Sept. 1 and Dec. 31 — to be considered for school this fall, may also contact their local school between Feb. 27 and March 3. Participation in kindergarten screening and orientation programs will be necessary for those youngsters.

Pre-registered children will receive information about kindergarten registration, screening and orientation by mail.

In addition, three and four-year-olds, whose parents feel they have physical, language or social-emotional difficulties, will also be

Human Rights Is No. 1 With President Carter

WASHINGTON — President Carter's stress on human rights has drawn scoffs in the cloakrooms and cocktail lounges of Washington. But we can report that the president isn't the least bit deterred. He intends to push human rights harder than ever around the world.

He has a new human rights directive on his desk right now awaiting his signature. Last year he ordered the National Security Council to prepare new human rights initiatives, and they were submitted to the president around Dec. 1.

Their purpose is described in a confidential White House document. The new initiatives, it states, "are intended to lead to a number of actions, including issuance of a Presidential directive to give greater emphasis to human rights through U.S. foreign aid policy."

What this means is that nations which violate human rights will have their aid cut back. But the new directive will emphasize the positive rather than the negative aspects.

Inducements will be offered to nations to improve the treatment of their people. Countries that halt persecution will be eligible for new aid programs. President Carter will also establish warmer relations with their leaders.

The president's national security adviser, Zbigniew Brzezinski, has described the new policy behind closed doors. He said that human rights should replace anti-communism as "the glue that holds our

foreign policy together."

Coal Crisis: Energy Secretary James Schlesinger has reported to President Carter that the coal shortage threatens the power supply in several states. He raised the possibility, according to confidential Cabinet minutes, of shipping emergency coal to the endangered areas.

Schlesinger warned, however, that the government "might be accused of strike breaking if coal from outside sources is delivered."

Defense Secretary Harold Brown then reported on the danger of violence in the coal fields. The Administration, he said, "should not be concerned about illegal activity, since the National Labor Relations Board is likely to issue injunctions."

In other words, the government is quietly preparing to intervene, if necessary.

Forest Fight: The timber barons have chalked up another major victory; and as usual, the American taxpayers will pay for their success.

In 1976, Congress passed a bill sponsored by Rep. John Krebs, D-Calif., that required sealed bidding for timber from the federally owned national forests. Prior to that time, the lumber men decided among themselves how much to offer for the government's trees in open bidding.

The industry, of course, wants to buy up the national forests as cheaply as possible. So timber lobbyists on Capitol Hill twisted the right arms and forced a

repeal of the sealed bidding provision.

At first, it appeared that the vote might be close. But then Rep. Al Ullman, D-Ore., chairman of the powerful House Ways and Means Committee, informed his colleagues they would have a tough time with any proposed tax legislation unless they went along on the pro-timber bill.

The timber barons, predictably, won the right to submit open bids once again.

Sweet Deal: The national railway system and the Kellogg company have worked out a promotion deal. The cereal firm will promote Amtrak tickets on cereal boxes. In return, Amtrak will publicize Kellogg's breakfast foods on its trains.

This has upset officials at the Health, Education and Welfare Department. They have fired off an angry letter to Amtrak, demanding why the railroad is promoting sugared cereals of questionable nutritional value.

Meanwhile, other big food companies, such as McDonald's hamburgers and Coca-Cola, have sounded out Amtrak about similar deals.

Phony Bills: Small businessmen should check their bills carefully. More than 300 fly-by-night operators are sending sales solicitations to businessmen in the form of bills.

The letters look exactly like a monthly billing, complete with invoice numbers, references to accounts and price information. The amount is small

enough that busy businessmen often pay them, without question, along with legitimate bills.

Busted Troops: Army enlisted men, many with families to support, are also having trouble keeping up with their bills.

Although military families can buy cut-rate food at commissaries, thousands of them are barely scraping by. Their costs for the daily necessities are outstripping their ability to pay.

We have learned that no less than 2,700 Army families are on food stamps. Last year alone, it cost the Army more than \$4 million to cash in food stamps from active and retired military people.

We have talked to one congressman who wants to help the hard-up military families. He is Elliott Levittas, D-Ga., and he has already complained to the President's Commission on Military Compensation.

Watch on Waste: The Postal Service owns more than 140,000 different vehicles which are used to deliver the mail. It is the largest single fleet of vehicles in the United States.

Now a confidential study by the General Accounting Office reveals that the post office is wasting millions of dollars by buying the vehicles instead of leasing them.

Postal regulations require that local postal officials determine whether leasing vehicles is cheaper before they buy them. But the word, apparently, has not trickled down to local officials.

FEBRUARY 23, 1978

Storm Costs Are A Confusing \$363,000

That winter storms will be costly is a foregone conclusion.

How to meet the expenditures, and how hard the taxpayers will be hit is a matter of conjecture and fulfilling technicalities at the moment.

For Andover, basically, snow removal and clearance will cost an estimated \$363,000 this fiscal year, ending in June. The town appropriated \$175,00 at the annual town meeting last year to meet winter storm expenses.

Tuesday night, selectmen, meeting in special session, declared, retroactively, a state of emergency for the town for the period of Feb. 6 at 6 a.m. to Sunday, Feb. 12 at midnight, in order to meet statutes which would allow the town to meet expenses encompassed beyond the budgeted amount.

The declaration of the state of emergency by the selectmen was a formality required by the state division of accounts and also will apparently allow the town to qualify for some federal funding.

Acting Town Manager Sheldon S. Cohen

informed the board at the Tuesday session, that it is hoped that the town may recover in the vicinity of 75 per cent of the costs of the Feb. 6-8 blizzard, through federal assistance.

At a meeting held in Beverly last week, state authorities outlined what they would be doing to assist local communities, and most of that aid will go to coastal communities hit by the disastrous storm. Andover did not suffer substantially from wind, tides or floods. The declaration of the state of emergency by Governor Dukakis allowed for such assistance, but not for state aid for plowing and snow clearing operations.

But, Cohen pointed out, some federal assistance programs are now in the works through which the town may recover about 75 per cent of the cost of contractual services (hired plows, scoops, trucks and other equipment) plus some overtime needed for payment of municipal employees.

The actual handling of the storm by municipal employees and equipment will

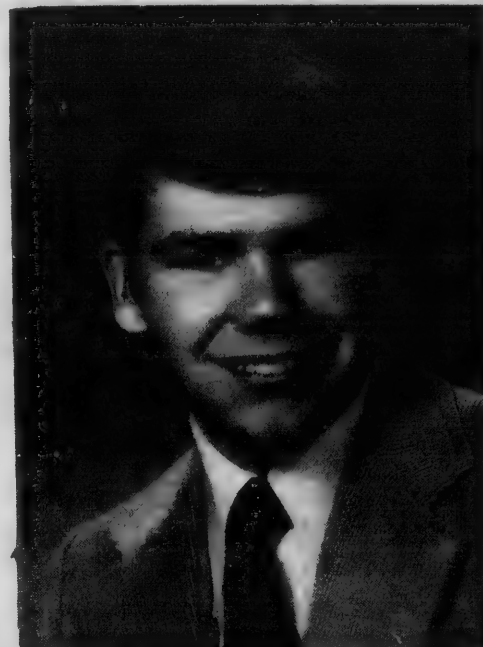

In order to qualify for the federal funding, Acting Manager Cohen was designated as the local agent to assume responsibility for coordinating the application for such assistance, another requirement placed before the board Tuesday night.

Department of Public Works Director, Robert E. McQuade told selectmen Tuesday night that snow costs for the fiscal year to date are about \$225,000 with less than half the bills in for the last storm.

The figure of \$363,000 for snow removal for this fiscal, includes some contingencies for an "additional few inches" of snow before this winter or the fiscal year is over.

Cohen said he hoped that the town could possibly get in the vicinity of \$200,000 back from federal funds. This money will go into the town's free cash account.

Declaration of the state of emergency locally, by selectmen, allows the state bureau of accounts to assess those costs against the town when the tax rate is being not be handled in any federal funding.

Nominated

Thomas E. Darby, son of Mr. and Mrs. Thomas M. Darby, a senior at Andover High school, has been nominated for appointment to the U.S. Military Academy at West Point, by Sen. Edward M. Kennedy. An Eagle Scout, and an honor student at Andover High, Darby was chosen by the area's Coast Guard Auxiliary to represent them at the Coast Guard Academy this past summer in a program which provided him with first hand knowledge of life as a cadet at a military academy.

established next year.

Basically, should the town receive the federal funding as hoped the total tab won't have any great effect on the tax rate.

Two Registrars Are Appointed

The new registrars of voters were appointed by selectmen Tuesday night, on recommendation of Town Clerk Elden R. Salter, but the board is still interested in possibly having a woman appointed at some future date.

Membership of the board was depleted in recent weeks through the death of long-time registrar Harry Sellars and the resignation of Eugene Zalla.

Joseph Walsh was named to complete Sellars' term which expires in March and Joseph Goulet was appointed to fill Zalla's term which expires in March, 1979.

With preparation for the annual town election in full swing and special registra-

tion sessions scheduled, Town Clerk Salter asked the board last week to make the appointment. Instead the board asked for more information with Chairman Susan T. Poore asking about appointment of a woman member.

Tuesday night Salter explained the workings of the board of registrars, its required composition of two enrolled Republicans and Two Democrats, and the need for experience in the conduct of the electoral process on the part of the registrars.

With reference to the contention made by some board members a week ago, that the appointments were virtually for life,

Salter said that the terms are for three years.

Selectman Philip Salamone told Salter that possibly it should be considered that when reappointments occur, someone else should be named. Salamone emphasized he had no objection to the persons proposed for appointment, nor did he question the town clerk's judgement in making recommendations. He said he just felt the opportunity should be opened up to others in the town.

Selectman Albert Cole felt somewhat differently, noting that in business, if "you have good employees doing a good job you don't replace them, so why not keep these

people if they are doing a good job."

Chairman Poore replied that the position offers a "fascinating part of the participatory process in local government," noting the involvement in the overall electoral process at the local, state and national level.

Both Salamone and Mrs. Poore expressed a feeling that in Andover women are more actively involved in elections and governmental processes than in other communities and in some cases more so than men.

Salter explained that the election division handles all elections, the current breakdown is 40 men and 38 women. Women began being employed in recent years and have been moved along to more responsible positions in precincts, as the openings became available and experience warranted their promotion.

The town clerk said he was averse to the appointment of a woman to the board of registrars, but wanted the experience of having worked through the overall electoral process to be a factor in the appointment.

He said that if the occasion presented itself where a qualified woman was available he would be glad to recommend such an appointment.

Salter told the board that the town has an excellent election division and was quick to add, that the excellence was built in for him.

"The town has had a tradition of having excellent election workers, many of whom have been on the job for years. Their experience and help has made my job easier," Salter said.

The board agreed with his commentary. Both Walsh and Goulet are veteran members of the election division, Walsh having worked closely with Sellars in the past few years in the final tallying.

Counsel Named To Hold River Rights

Atty. Fredric S. O'Brien has been named special town counsel by the selectmen, to represent the town's interests in the licensing of the Lawrence Hydroelectric Co. plant to be located on the Merrimack River.

O'Brien informed the board Tuesday night that an application for a license has been made to the federal authorities and that the deadline for filing opposition is the end of March.

Counsel advised that since Andover draws water from the Merrimack, and needs to retain such rights, he should have permission to appear in opposition to granting of the license, if such protection were necessary.

O'Brien added that he hoped that agreement could be reached between all parties

concerned before the hearings on the license application, but support by the selectmen to file opposition would provide a proper base from which to work.

Other interests in the matter from a local standpoint include the Andover Village Improvement Association and the Conservation Commission, both of which have land holdings along the Merrimack.

The town draws water from the river and processes it at the treatment plant. Andover also has a recleaning station at the river bank to catch water from the Fish Brook watershed and return it to Haggetts pond, the town's main reservoir.

Construction of the hydroelectric plant is planned sometime in the future with use of the Lawrence dam and control of the river among the prime considerations.

Purchasing Procedures In Need Of A Check

Among the initial duties of the town's new manager, whoever that may be, will be to attempt to get the purchasing agent position to be functional, apparently.

The school department in recent budget planning activity, inserted provisions to comply with the "mountainous" paper work necessitated by the agency created a little over a year ago.

Possibly the school department is not completely wrong in their overall difficulties in conforming to a central purchasing system.

They state that considerable paper work is involved in obtaining materials for the school department. Also contended by school officials is the fact that many hours are lost in drawing up specifications for minor repair work, painting projects and the like.

The purchasing agent department was created in an effort to centralize this activity and realize some savings for the town. It was anticipated that with a central purchasing department, there would be elimination of duplication of effort in the obtaining of materials by various departments.

Projects for both school and town departments could be better controlled through an effective departmentalized approach.

Now, it appears that rather than saving money, it is

going to cost more to have central purchasing, if, in fact, it becomes necessary for the school department to add personnel to accomodate the procedural aspects of the department.

The position of purchasing agent in Andover has a long history, dating back to a study committee to examine the town manager charter back in 1963.

From that time, the position was talked about, recommended and descriptions for the office drawn up, but never any action taken until sometime late in 1976, with appointment coming in 1977.

The idea of central purchasing in a manager form of administration makes sense. But only if it is effective in saving funds.

As matters appear at present, from contentions of the school department, it would appear that the condition is reversed and central purchasing is costing rather than saving.

Since municipal positions have a way of becoming permanent once created, we would recommend that the new administrator make this office an initial priority and attempt to iron out differences with the school department quickly.

Turning central purchasing into a cost effective department could be an excellent start.

Down The Years With The Townsman

75 Years Ago — February, 1903

Chief Engineer David S. Smith, a former Andover resident and graduate of Phillips Academy has been nominated by President Roosevelt to be promoted to the rank of rear admiral in the U.S. Navy.

It is stated on good authority that the American Degreasing Co., which recently purchased the Smith and Dove Mills in Frye Village, will dispose of the property in Andover to some of its stockholders and then begin operations on a small scale.

J. Avery Gould, former superintendent of one of the local mills of the Washington Mills, has been promoted to the superintendency of the entire Riverside Mills of the American Woolen Company, located in Providence, R.I., a recognition of his marked ability as a mill man.

On the 17th of February, 1902, the worst snow storm of the season hit Andover hitting the town with heavy damp snow, blocking railroads and the electrics. Again this year, on the same day, the biggest and worst storm of the season hit again, this time accompanied by biting cold weather.

The selectmen bought a pair of horses Monday from Nikes of Reading for the fire department. The horses weigh about 3100 pounds and are gray roans about five

years old. They come from Indiana and are a handsome well-mated pair.

50 Years Ago — February, 1928

The League of Women Voters, at their meeting this week, heard from several speakers on the subject of the \$1,000 to be asked at town meeting for plans for an addition to the high school to commence a junior high school program.

The Andover Fish and Game club received a large shipment of yearling trout Saturday from the Sandwich hatchery on Cape Cod. They were placed in the various brooks and streams around the town.

The death of the late Thomas E. Rhodes, a member of the board of public works who was seeking re-election, will cause some problems for the board of registrars. According to state law, a person may take Mr. Rhodes place on the ballot provided the 61 signators of his nomination papers are willing to transfer their names to the new candidate.

The Fourth annual Washington Birthday ball, held by the Andover Historical Society was a colorful affair in town hall. Winners of best costumes, and it was a difficult choice for the judges, were

presented antiques.

Wood fires give quick comfort on chilly mornings and a full cord of hardwood, all sawed, costs only \$13. Kindling wood is offered this week at four baskets for \$1.

25 Years Ago — February, 1953

The Finance Committee sees a \$2 increase in the tax rate if its recommendations on the warrant are followed at town meeting. A new sewer plan for Ballardvale is approved in the report.

There will be 8,060 voters eligible to cast ballots in the annual town election next Monday with several contests commanding vigorous last-minute campaigning.

A group of 20 juniors and seniors at Pynchard High school became charter members of the local chapter of the National Honor Society at ceremonies at the school this week.

Andover's share of the cost of the Newburyport clam purification plant for the past year will be \$423.69. The town pays a portion of the deficit operation which is shared by Essex County communities.

Miss Sylvia Zalla, of Chester street was among the participants in an art show televised Sunday over a Boston television station.

Foreign Film Series

"Blow-up" (1966), the next feature in the Foreign Film Series, will be shown Friday, Feb. 24 at 7:30 p.m. When a casual photo session in a park leads to the discovery of a murder, the hedonistic young photographer must face real danger as well as some difficult moral questions. Michelangelo Antonioni's modern classic won the Grand Prize at Cannes. Recommended for mature audiences.

Community Calendar

Due to the request of many local organizations and the interest of Andover residents, the Community Calendar will be revived under the direction of Dorothy Sherrerd, Memorial Hall Library Program Director.

The calendar will serve as a clearing house for dates of Andover activities and will be readily available for inspection at all times. Organizations, as they plan and schedule events, are asked to call Mrs. Sherrerd at the Library to have their events listed on the Community Calendar.

Afro-American Book Display

February is designated as Afro-American History Month with the theme: "Roots, achievements and projections." In this connection, Memorial Hall Library has currently on display a collection of books by black authors — from black music and art to black novels to black genealogy.

Children's Room News By Bridget Bennett

Now that the worst of winter is over, the Children's Room will be starting up a new series of Films on Fridays. These films are designed for pre-school children and their parents and will be shown every Friday until mid-May, starting on March 3. For your convenience, two showings will be scheduled each Friday, one 10:30 a.m. and another at 2 p.m.

And beginning Wednesday March 1 through 10 we will be taking registration for our pre-school story hour "Little Listeners." To be eligible, children must be between the ages of 3½ to 5 years old (third birthday by September 1977). They must also be residents of Andover and not already enrolled in school. Two series for Little Listeners are planned, one on Tuesdays beginning March 14 and one on Wednesdays beginning March 15. You may call the

Children's Room for further details, but registration must be made in person beginning March 1.

For parents and other interested adults, the Children's Room is planning a series of talks on Children's Literature to take place on four consecutive Thursday evenings in March. If you have ever wondered what stories to read to your children, what books to get for the problem reader, how to approach books dealing with sex, death, and other difficult areas, or if you have just wondered what is going on

in the world of Children's Literature, this series is for you!

March 9, General Trends in Children's Literature Today; March 16, Storytelling for the Family; March 23, Books Dealing with Problems (sex, death, etc.); March 30, Books for the Problem Reader.

The individual programs will last for about an hour, from 7-8 p.m., with time for discussion and for looking at books. If you are interested in participating in any or all of the series, please call Ruth Hooten at the library for more information.

For Those Of Us Who Are Older

There is still room for you to sign up for the lip reading course starting at The Haven Monday, Feb. 27. Taught by an experienced teacher, this is your opportunity to overcome the inconvenience of slight hearing impairment, to enable you to more fully enjoy the companionship of others and to understand more clearly what they say — even when they mumble! Call the Haven now for more information.

It's Pot Luck Lunch time at The Haven on Wednesday, Mar. 1 at 12:30. The people at The Haven are trying to coordinate what people bring so that the meal is more balanced (not all desserts) and urge you to call 475-3968 to tell them what you plan to bring.

March 2 at 2 p.m., Miriani Putnam will present a slide show entitled "Guided Tour Through England." It will be fascinating and fun. You are invited!

Now is the time to sign up for the Easter shopping trip to the Chestnut Hill Mall Scheduled for Monday, March 6. There is a limit of 48. The cost of transportation as \$2.50 and the bus leaves about 9:30, returning at 4. Lunch place and cost is up to the individual.

Wednesday, March 15, The Haven will help you have a preview of spring with a trip to the Commonwealth Pier in Boston for the Flower Show! The group will be limited to 49 and the trip will cost \$4. The bus is expected to leave The Haven about 10 a.m. and return to The Haven about 4. Let The Haven know you plan to attend.

WHY YOU SHOULD BUY A PERFORMANCE CAR FROM A COMPANY FAMOUS FOR SAFETY AND DURABILITY.

If you ever dreamed of owning a car that really goes, you should wake up to two considerations: will it keep you out of trouble, and how long can it keep on going?

Introducing the 1978 Volvo 242GT. It not only gives you the performance you're expecting but it's built to deliver the safety and durability Volvo is legendary for.

You also get something totally unexpected in a Volvo: terrific looks. A silver metallic finish matched with black corduroy.

The engine is a fuel injected, overhead cam, cross-flow four. The four-speed manual transmission comes with overdrive.

For precise handling, the GT's special suspension system includes McPherson struts, stabilizer bars front and rear plus heavy-duty springs and shocks. Rack and pinion steer-

ing and steel-belted Pirelli CN36 radials are standard.

The 242GT is also built to keep you out of trouble. You get dual brake circuits with four power-assisted discs; a special valve on each rear brake line designed to prevent premature lock-up; and impact-absorbing front and rear ends

surrounding a steel passenger cage to keep you out of really big trouble.

Come in soon, examine the new Volvo 242GT and take it out for a real test. It's a limited production model but we're not about to hold it back on the showroom floor. That's the last place it belongs.

Cunningham Dance Troop At Academy

Dancer and choreographer Merce Cunningham will appear at Phillips Academy on March 3 at 8 p.m. The Cunningham Dance Foundation, featuring a troop of accompanying dancers, will perform in the Academy's newly resurfaced cage.

The performance at Phillips Academy is the first time the Case Memorial Cage has been used for an event of this nature. The public is invited.

Internationally famous, Cunningham was born in Centralia, Washington, and received his first formal dance and theatre training at the Cornish School in Seattle. After several years as a soloist in the company of Martha Graham, he made a number of national and international tours giving solo programs. In 1953 he began to work with a company of dancers at Black Mountain College in North Carolina. A history of work with contemporary artists began in 1944 with John Cage, and continued with Earl Brown, Toshi Ichiyangi, and Christian Wolff. This teamwork has resulted in several notable compositions. Cunningham choreographed The Seasons (John Cage — Isami Noguchi) and a version of Summerspace (Morton Feldman — Robert Rauschenberg) for the New York City Ballet. Un Jour ou Deux (John Cage — Jasper Johns, commissioned by the Paris Autumn Festival) premiered at the Paris Opera.

Demand Up

Our demand for electricity is increasing at the rate of six percent per person per year. However, consumption during peak usage hours is increasing at the rate of 12 percent annually, a demand growing more rapidly than the nation's planned generating capacity will be able to accommodate.

In the U.S. there is no guaranteed right to sunlight, Massachusetts Audubon points out. Japan and Great Britain have rights to the sun under a law, the Ancient Lights

Doctrine, which gives property owners a right to a limited amount of indirect light if it has been flowing through their windows for a certain number of years.

Le Car is one small economy car that will not bore you. It's an exciting, responsive car that's fun to drive.

Le Car comes with front-wheel drive, rack and pinion steering, four-wheel independent suspension and Michelin steel-belted radials — all standard. (Civic, Rabbit, Fiesta and

Chevette don't offer this combination of standard features.) The result is the kind of handling and cornering that helped Le Car amass a total of 122 first, second and third place finishes in 132 SCCA races during 1977.

All this plus 41 MPG highway/26 MPG city according to 1978 EPA figures.* Remember: these figures are estimates. The actual mileage you will get will vary depending on the type of driving you do, your driving habits, your car's condition and optional equipment.

A level of comfort and luxury unheard of in small cars.

Le Car's ride is so smooth, even on rough roads, that Car & Driver called it "a new standard for small cars." And Le Car has what may be the most comfortable seats this side of a luxury sedan.

Le Success Car.

In Europe, where people demand economy, performance and a car that's fun to drive, nearly two million people drive Le Car. (That's more than Rabbit and Fiesta combined.)

And in America, Le Car sales have more than doubled in just one year.

What's more, in an independent survey, Le Car owner satisfaction was rated at an amazing 95%.

Le Car prices start at only \$3495.† And if you buy one before March 31, 1978, you'll get the options shown above, free.

Which makes one of the most exciting cars you can drive, one of the most economical.

Also unopposed will be James D. Doherty, 9 Juniper Road, a candidate for the one year term as moderator. Doherty announced for the office when Moderator William A. Dalton signified his intent to be a candidate for selectman. Dalton has subsequently withdrawn from the selectmen's race due to professional and career considerations.

The ballot question will deal with exempting employees in the public works

department from civil service status. All department heads are now removed from civil service, and the item this year will exempt office manager, clerks, stenographers, and administrative assistants in the department from such classification, if the voters approve.

TOWN OF ANDOVER
WARRANT
THE COMMONWEALTH OF MASSACHUSETTS
ESSEX, SS.

To either of the Constables of the Town of Andover

In the name of the Commonwealth you are, hereby required to notify and warn the Inhabitants of said Town who are qualified to vote in Elections and Town Affairs to meet and assemble at the designated polling places in Precincts One, Two, Three, Four, Five, Six, Seven, and Eight, viz: the Lower Parish Hall, Free Christian Church, on Elm Street, in Precinct One; the Lower Hall, Andover Baptist Church, Central Street, in Precinct Two; the Cardinal Cushing Gymnasium, Haverhill Street in Precinct Three; the West Elementary School, Beacon Street, in Precinct Four; St. Robert Bellarmine Church, Haggetts Pond Road in Precinct Five; the Fellowship Hall, Ballardvale United Church, Clark Road, Ballardvale, in Precinct Six; the Peabody House, Phillips Street, in Precinct Seven; and the Faith Lutheran Church, South Main Street, in Precinct Eight in said Andover, on

MONDAY, THE TWENTY-SEVENTH DAY OF MARCH, 1978
at 8:00 o'clock A.M. to act upon the following articles:

ARTICLE 1. To elect a Moderator for one year, one Selectman for three years, one Selectman for one year (to fill a vacancy), one Member of the School Committee for three years, one Member of the Andover Housing Authority for five years, and any other town officers required by law to be elected by ballot, also to vote on the Question:

Question: "Shall an act passed by the General Court in the year nineteen hundred and seventy-seven, entitled 'An Act Exempting From the Civil Service Laws the Positions of Office Manager, Clerks, Stenographers and Administrative Assistants in the Department of Public Works in the Town of Andover,' be accepted?"

All the above candidates to be voted for on one ballot. The polls will be open from 8:00 o'clock A.M. to 8:00 o'clock P.M.

After the final action on the preceding Article One, the said meeting shall stand adjourned by virtue of Chapter 39, Section 20 of the Massachusetts General Laws, to April 24, 1978 at 7:30 P.M. at the Memorial Auditorium on Bartlet Street, then and there to begin acting upon articles that follow in this warrant.

ARTICLE 2. To elect all other officers not required by law to be elected by ballot.

ARTICLE 3. To establish the salaries of the elected Town Officers for the ensuing year.

ARTICLE 4. To see if the Town will vote to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the Town, including debt and interest, and to provide for a Reserve Fund for the fiscal year beginning July 1, 1978 and ending June 30, 1979.

ARTICLE 5. To see if the Town will amend Article XII of the Town By-Laws by striking out Section 11 and substituting with the following New Section:

SECTION 11 - DOGS

A. DEFINITIONS: As used in this By-Law, the following terms mean:

ANIMAL SHELTER: Any premises designated by Town Administrative Authority for the purpose of impounding and caring for animals held under authority of this By-Law.

CANINE CONTROL OFFICER: Any person or persons appointed by the Town Manager with the approval of the Board of Selectmen, as the Dog Officer or Officers under the provisions of Chapter 140, Sections 151 and 151A of the General Laws to carry out the provisions of this By-Law. In the absence or vacancy in the office of unavailability of the Canine Control Officer, the Town's Inspector of Animals or his deputy shall perform the duties of the Canine Control Officer(s).

OWNER: Any person owning, keeping or harboring dogs.

PERSON: An individual, partnership, company or corporation.

RESTRAINT: A dog shall be deemed to be under restraint if on the premises of its owner or, if outside the premises of the owner, is accompanied by a person who shall have the dog under control by holding it firmly on a leash no greater than six (6) feet in length.

VETERINARY HOSPITAL: An establishment maintained and operated by licensed veterinarian for the boarding of animals or the diagnosis and treatment of diseases and injuries of animals.

B. REQUIREMENT FOR AN IDENTIFICATION TAG

Every person issued a License in accordance with the provisions of Chapter 140, Section 137 of the General Laws of the Commonwealth for a dog owned or kept within the Town will also receive an identification tag from the Town Clerk's Office. The identification tag shall be a durable tag stamped with an identifying number and of particular shape, to signify the specific year of issuance. Tags will be so designed that they may conveniently be fastened to the dog's collar or harness. Dogs must wear identification tags at all times when the animal is off the premises of the owner. The Canine Control Officer shall maintain a record of the identifying numbers and shall make this record available to the public.

C. RESTRAINT OF DOGS.

No person shall own, keep or harbor in the Town of Anover, outside the confines of the owners property (Meaning owned, rented or leased), any dog which is not held firmly on a leash, no longer than six (6) feet, by a person who shall have control of such a dog.

D. UNRESTRAINED DOGS

Unrestrained dogs may be taken by Police, or the Canine Control Officer and impounded in an animal shelter, and there confined in a humane manner. If by an identification tag or by other means the owner can be identified, the Canine Control Officer shall immediately upon impoundment notify the owner of the impoundment of the animal. Impounded dogs shall be kept for ten days unless reclaimed by their owners. Dogs not claimed by their owners within ten days, or placed in suitable new homes, may be humanely euthanized by the Canine Control Officer or by an agency delegated by him to exercise that authority. In addition to, or in lieu of, impounding a dog found at large, the Canine Control Officer or Police Officer may issue to the known owner of such dog a notice of By-Law Violation.

E. RECLAIMING IMPOUNDED DOGS

An owner reclaiming an impounded dog shall pay an Administrative Fee of \$15.00 plus \$2.00 Boarding Charge for each day that the dog has been impounded, to a total maximum pay of \$35.00.

Greeting:

F. FEMALE DOGS IN HEAT

Every Female Dog in heat shall be confined in a building or secured enclosure in such a manner that such female dog cannot come into contact with another animal except for planned breeding. The Canine Control Officer shall have the power to enforce a regulation to eliminate what he may deem to be a nuisance.

G. NUISANCES

No owner shall fail to exercise proper care and control of his or her dog to prevent said dog from becoming a Public Nuisance. Excessive or untimely barking, molesting passerby, chasing vehicles, habitually attacking people or other domestic animals, trespassing upon school grounds, or trespassing upon private property in such manner as to damage property shall be deemed a nuisance.

H. QUARANTINING OF DOG THAT BITES

Any dog which bites a person shall be quarantined for ten days if ordered by the Inspector of Animals. During quarantine, the dog shall be securely confined and kept from contact with any other animal. At the discretion of the Inspector of Animals, the quarantine may be on the premises of the owner. If the Inspector of Animals requires other confinement, the owner shall surrender the animal for the quarantine period to an animal shelter or shall, at his own expense, place it in a veterinary hospital.

I. ANIMALS SUSPECTED OF BEING RABID.

No Police Officer or other person shall kill, or cause to be killed, any animal suspected of being rabid, except after the animal has been placed in quarantine and the diagnosis of rabies made by a licensed veterinarian. If a veterinarian diagnoses rabies in an animal in quarantine, then the animal shall be humanely killed and the head of such animal sent to a laboratory for pathological examination and confirmation of diagnosis.

J. HINDERING THE BY-LAW ENFORCEMENT.

Any Canine Control Officer shall have police powers in the enforcement of this By-Law and no person shall interfere with, hinder, molest or abuse any Canine Control Officer in the exercise of such powers.

K. BY-LAW VIOLATION

Proceedings under this section shall not be criminal. Violations of any provision of this By-Law shall be punished by a fine of \$15.00 for the first and \$25.00 for a second or subsequent offense. If any violation be continuing, each day's violation shall be deemed to be a separate violation. Complaints will be sought in a District Court according to Chapter 140, Section 173A of the General Laws.

L. IF PARTS OF BY-LAW ARE INVALID

If any part of this By-Law shall be held invalid such part shall be deemed severable and the invalidity thereof shall not affect the remaining parts of this By-Law. No provision or interpretation of a provision of this By-Law is intended to be either in conflict with, or an attempt to change, any statutory provision in Chapter 140 pertaining to dogs.

M. VACCINATION

Every owner and keeper of a dog more than six months old shall cause said dog to be vaccinated or revaccinated by a licensed veterinarian with anti-rabies vaccine within two years prior to the date of application for a dog license for said dog. Application for each annual dog license shall be accompanied by proof of vaccination of the dog against rabies within two years preceeding the date of the application.

N. FEES

The fees for dog licenses shall be as follows: \$4.00 for a male dog, and \$6.00 for a female dog unless the female dog has been spayed, in which case the fee shall be \$4.00. Said fees are subject to all other conditions as set forth in MGLA, Chapter 140, Section 139.

On petition of Sidney P. White and others.

ARTICLE 6. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1978 in accordance with the provision of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 7. To see if the Town will vote to authorize the Town Manager to enter into a contract with the Massachusetts Department of Public Works Commissioners, the County Commissioners and/or either of them for the construction and maintenance of public highways in the Town of Andover for the ensuing year.

ARTICLE 8. To see if the Town will vote to authorize the Board of Selectmen and/or the Town Manager to apply for, accept and enter into contracts from time to time for the expenditure of any funds allotted to Andover by the Commonwealth of Massachusetts or the U. S. Government under any State or Federal Grant Program, or do anything in relation thereto.

Inserted by the Selectmen.

ARTICLE 9. To see if the Town will vote to raise by taxation, by transfer from available funds or by borrowing or by any combination of the foregoing and appropriate the sum of \$1,040,000.00 or any other sum for the purpose of laying and relaying water mains not less than 6 inches in diameter nor more than 16 inches in diameter in the following areas:

And to authorize the Selectmen to acquire the necessary easements by purchase, by gift or by seizure by right of eminent domain.

Inserted by the Selectmen.

ARTICLE 10. To see if the Town will vote to amend Section 4, entitled, Annual Town Report of Article 11 of the Town By-Laws by deleting the words "at least seven (7) days before the date fixed for the annual meeting" and insert in place thereof the words "within ninety (90) days following the termination of each fiscal year" so that said section shall read as follows:

(Continued on Page 32)

SECTION 4. ANNUAL TOWN REPORT: The Town Manager shall annually, within ninety (90) days following the termination of each fiscal year, cause to be made available to the registered voters of the Town an Annual Report, which shall contain a detailed report of all monies received into and paid out of the Town Treasury during the preceding fiscal year, which report shall be examined and approved by the Accountant before it is printed. He shall also publish in said report such information and recommendations relating to town finances as he or the Board of Selectmen may deem proper. Reports of the Treasurer and Collector, and reports such other Town Officers, Boards, Committees and Departments as may be directed by the Town Manager or by the Board of Selectmen shall be included in the Annual Report.

Inserted by the Selectmen.

ARTICLE 11. To see if the Town will vote to raise by taxation, by transfer from available funds, or by any combination of the foregoing and appropriate the sum of \$30,000.00 for the purpose of reconstructing or making repairs to the Ballardvale Railroad Crossing.

Inserted by the Selectmen.

ARTICLE 12. To see if the Town will vote to discontinue as Public Ways the portions of the following streets described herewith:

1. Rocky Hill Road — Beginning at the southerly line of Lot No. 1 on Town Assessors Map 64; southerly to Route 125; a distance of approximately 1,800 feet.

4. Wood Hill Road — Beginning at High Plain Road southerly to Route 495; a distance of approximately 3,000 feet.

Inserted by the Selectmen.

ARTICLE 13. To see how the Town will vote to instruct its Senators and Representatives in the Great and General Court.

Inserted by the Selectmen.

ARTICLE 14. To see if the Town will vote to transfer from available funds and appropriate the sum of \$5,000.00 to supplement the appropriation for employee benefits for the fiscal year ending June 30, 1978.

Inserted by the Board of Selectmen.

ARTICLE 15. To see if the Town will vote to raise by taxation, by transfer from available funds or by any combination of the foregoing and appropriate the sum of \$2,500.00 for seasonal lighting on the condition that the Town match contributions from the Andover Center Merchants on a dollar-for-dollar basis.

Inserted by the Selectmen.

ARTICLE 16. To see if the Town will vote to amend Article III of the By-Laws of the Town of Andover, by striking out the first paragraph of paragraph 5, Section 3 (A) thereof and inserting the following substitution therefor:

The Finance Committee shall prepare and mail to each household in the Town at least ten (10) calendar days before the first scheduled business session of the Andover Town Meeting and at least seven (7) calendar days before the first scheduled business session of a Special Town Meeting, a printed report which shall contain at least the following:

Inserted at the request of the Finance Committee.

ARTICLE 17. To see if the Town will vote to raise by taxation, by transfer from available funds, or by borrowing or by any combination of the foregoing and appropriate the sum of \$300,000.00 for the purpose of making alterations and additions to the Fish Brook Pumping Station.

Inserted by the Selectmen.

ARTICLE 18. To see if the Town will vote to appropriate the sum of \$58,000.00 from the Post-War Rehabilitation Fund, as established by vote of the Town Meeting of March 8, 1943, for the purpose of removing architectural barriers in municipal buildings and in public ways in the Town.

Inserted by the Selectmen.

ARTICLE 19. To see if the Town will vote to authorize the Selectmen to request that the Legislature enact a bill authorizing the Town of Andover to take water from the Merrimack River for domestic, municipal and industrial uses.

Inserted by the Selectmen.

ARTICLE 20. To see if the Town will vote to amend the Town By-Laws by deleting Article XII, Section 18 entitled Snowmobiles and substituting therefor the following as a New Article XII, Section 18:

Section 18. Recreational Motor Vehicles.

A. Definitions

As used in this section the following terms have the meanings indicated:

RECREATIONAL MOTOR VEHICLE — Includes, but is not expressly limited to minibikes, motor-scooters, go-carts, golf-carts, motorbikes, dune buggies, and swamp buggies and any other similar motor vehicle of the type that are normally used on land for recreation, entertainment or pleasure. The use of lawnmowers, powered garden vehicles and other similar utilitarian domestic vehicles is specifically excepted herefrom.

B. OPERATION RESTRICTIONS.

It shall be unlawful for any person to operate or permit and suffer to be operated a recreational motor vehicle as defined in Article XII, Section 18A within the Town of Andover under any of the following circumstances:

1. On private property of another without the express prior written consent of the

owner and the occupant of said property. Such consent may be revoked at any time by the grantor thereof. Where such express prior written consent has been obtained, the operator or person at the site responsible for such operation shall keep said consent on his person and available for immediate display at all times during the period of such operation. Excepted from the operation of this sub-section are any private clubs or other organizations that permit the operation of recreational motor vehicles on their property in connection with the principal use of said property by the members of any such club or organization.

2. On any public grounds or property, including town-owned land which shall include but not be limited to parks, ball parks, recreation areas, town owned streets, easements and sidewalks, or areas dedicated to or commonly used for vehicular or pedestrian traffic, town storage facilities, garage areas and school land, unless specifically designated, set aside and reserved therefor by resolution of the Board of Selectmen.

3. In such manner as to create loud or unnecessary noise so as to unreasonably disturb or interfere with persons in the peaceful and quiet enjoyment of their property. To this end, no person shall operate a recreational motor vehicle before the hours of 9:00 A.M. and after the hour of 7:00 P.M. prevailing time, or sunset, whichever shall first occur.

4. In a careless, reckless or negligent manner so as to endanger the safety or property of any person.

Inserted by the Selectmen.

ARTICLE 21. To see if the Town will vote to join the Merrimack Valley Regional Transit Authority pursuant to Chapter 161B of the Massachusetts General Laws and authorize the Selectmen to take the actions necessary to accomplish the same.

Inserted by the Selectmen.

ARTICLE 22. To see what amount the town will vote to raise by taxation, by transfer from available funds or by any combination of the foregoing to provide financial assistance to Trombly Motor Coach Service, Inc. for service within the municipal limits of the Town of Andover.

Inserted by the Selectmen.

ARTICLE 23. To see if the Town will vote to accept as a Public Way and Name Crescent Drive as approved by the Andover Planning Board and laid out by the Board of Selectmen as shown on a plan entitled:

"Plan No. 14928F", drawn by Clinton F. Goodwin, Surveyor, dated April 12, 1965, as modified and approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed with Certificate of Title No. 5970, Book 40, Page 281 for the Northern Registry District of Essex County.

Plan and description filed with the Town Clerk on the Petition of Maureen Mickevich and others.

On petition of Maureen Mickevich and others.

ARTICLE 24. To see if the town will vote to conduct its financial affairs in accord with the following proposal:

"The use of money voted by line item, and by article by Town Meeting, or the use of money receiving approval from the Finance Committee when Town Meeting is not in session, shall be verified annually by an established and competent auditing firm. Two copies of the auditor's detailed report shall be kept in a readily accessible place in the principal library of the Town and two copies in the library of the principal high school in the Town. A summary report of the auditor's annual report shall be provided with the Finance Committee's report to the voters that is distributed prior to the Annual Town Meeting. The auditor's summary report shall contain a statement concerning what steps, if any, should be taken to improve the use of town money as well as to improve the security and accountability of the town's financial affairs. The auditor shall be chosen in accord with competence, cost of performing work and on a two year contract basis. No member of the auditing firm doing the work shall hold elective or appointive office under the Town of Andover. Money for this work shall be appropriated from general funds as the work will cover the use of all funds; or be otherwise raised.

On petition of Karl Haartz and others.

ARTICLE 25. To see if the Town will direct the Town Manager to appoint and establish a committee to study tax reform and relief for senior citizens of the town and to further direct the committee to submit recommendations and proposals at the next Town Meeting.

On petition of Charles Muller and others.

ARTICLE 26. To see if the Town will vote to accept as a public way and name, Castle Heights Road, as approved by the Andover Planning Board and laid out by the Board of Selectmen as shown on a plan of land entitled, "Subdivision of Property in Andover, Mass. for Noyes-Whittier Corp., Scale 1" = 40', Aug. 1941 and said plan is recorded and entered in No. Dist. And to authorize the selectmen to acquire the fee in the land known as Joyce Terrace by gift, by purchase or by eminent domain, in the petition of Marion D. Hindman and others.

On petition of Marion D. Hindman and others.

ARTICLE 30. To see if the Town will vote to amend the Andover Zoning By-Law as follows:

1. Amend Section III. ESTABLISHMENT OF DISTRICTS by adding Paragraph E, to read as follows:

"E. Flood Hazard District

A 'Flood Hazard District' is hereby created as an overlay district, comprising all areas designated 'ZONE A' on Federal Insurance Administration (FIA) map entitled 'Flood Insurance Rate Map', effective date July 17, 1978, and a floodway is created as designated on FIA map entitled 'Flood Boundary and Floodway Map', effective date July 17, 1978, both of which are on file with the Town Clerk, Planning Board and Building Inspector."

2. Amend SECTION VI. OTHER REQUIREMENTS by adding Paragraph J, to read as follows:

"J. Flood Hazard District.

1. **Base Flood Elevation.** The 'Base Flood Elevation' shall be the level of flooding having a one percent chance of being equalled or exceeded in any given year, as designated on the above FIA Rate Map, or, in the absence of such designation, to be determined by the Building Inspector based upon the best available information regarding flood hazards, including any available USGS, SCS, and Corps of Engineers studies.

2. **Regulations.** Any development within the Flood Hazard District shall be subject to all otherwise applicable requirements of the underlying zoning district in which, it is located, including the usual use and dimensional requirements, and also to the following requirements.

(A) All new construction and substantial improvements (repair, reconstruction, or alteration costing 50% or more of the market value of the structure before improvement or, if damaged, before damage occurred) of residential structures shall have the lowest floor (including basement) elevated to or above the Base Flood Elevation. Nonresidential structures shall either be similarly elevated or, together with attendant utility and sanitary facilities, be designed so that below the Base Flood Elevation the structure is water tight with walls substantially impermeable to the passage of water and with structural components having the capability of resisting hydrostatic and hydrodynamic loads and the effects of buoyancy.

(B) The flood carrying capacity of any watercourse shall be maintained in the event of any alteration or relocation, as determined by the Building Inspector upon the advice of the Conservation Commission.

(C) Within the floodway designated on the above FIA Flood Boundary and Floodway Map, no encroachments (including fill, new construction, substantial improvements, or other development) shall be allowed unless it is demonstrated by the applicant that, as a consequence of compensating actions he is undertaking, his proposed development will not result in any increase in flood levels within the Town during a flood to the Base Flood Elevation.

3. Exceptions.

The Board of Appeals may grant a Special Permit for an exception to the requirements of subparagraph 2 above. Such Special Permit may be granted only in the case of structures such as boat houses which require waterfront location and are not continuously used for human occupancy, or in the case of development on a lot of less than a half-acre which is surrounded by existing nonconforming structures, in either case provided that all of the following are shown:

- good and sufficient cause;
- failure to allow the departure would result in exceptional hardship to the applicant;
- allowing the departure will not result in increased flood heights, additional threats to public safety, extraordinary public expense, create nuisances, cause fraud on or victimization of the public, or conflict with other by-laws or regulations.
- The departure is the minimum necessary, considering the flood hazard, to afford relief.

Exceptions may also be granted for reconstruction, rehabilitation, or restoration of structures listed on the National Register of Historic Places.

4. **Applicability.** Where these Flood Area Provisions impose greater or lesser restrictions or requirements than those of other applicable by-laws or regulations, the more restrictive shall apply."

3. Amend the Zoning Map by adding the following notation thereon: "Note: See separate maps on file with the Town Clerk delineating the Flood Hazard District."

Inserted at the request of the Planning Board.

ARTICLE 31. To see if the Town will vote to conduct its Town Meetings in accord with the following proposed by-law so that each member present at a Town Meeting shall be assured of a reasonable amount of time to speak: "After any article and its amendments, if any, have been moved to the floor of Town Meeting, read and then seconded, should any form of move be made thereafter within twenty minutes to shut off debate, any nine or more citizens entitled to vote may rise at their places and then raise their hand thus signifying to the meeting, through appropriate recognition by the Moderator, their desire to continue the discussion. This desire shall be honored. A similar response to an additional proposal to shut off debate shall be honored if made within ten minutes after the time of the first action. However, Town Meeting may proceed with still further discussion should a majority vote so indicate."

On petition of Karl Haartz and others.

ARTICLE 32. To see if the Town will vote to raise by taxation, by transfer from available funds or by any combination of the foregoing and appropriate the sum of \$80,000.00 for the purposes of:

On petition of George Chongris and others.

ARTICLE 37. To see if the Town will vote to accept as a public way and name Sevilla Road, as approved by the Andover Planning Board and laid out by the Board of Selectmen as shown on two plans of land, the first being entitled: "Plan of Land Located in Andover, Mass., owned by George Chongris, Scale: 1" = 40', January 1973, Charles E. Cyr, Civil Engineer, Lawrence, Mass." and said plan is recorded with Essex North District Registry of Deeds as Plan No. 6895 and the second plan being entitled: "Subdivision and Acceptance Plan, Pleasant Street Estates, Andover, Mass., George Chongris (owner) Scale: 1" = 40', April, 1973, Charles E. Cyr, Civil Engineer, Lawrence, Mass." and said plan is recorded with Essex North District Registry of Deeds as Plan No. 7035, and said plans and descriptions along with the necessary deed or deeds and easements are on file with the Town Clerk.

On petition of William D. Martin and others.

ARTICLE 38. To see if the Town will vote to raise by taxation, by transfer from available funds, or by any combination of the foregoing and appropriate the sum of \$150,000.00 for the purpose of making a master plan of the Town.

Inserted by the Selectmen.

ARTICLE 39. To see if the Town will vote to adopt the "Report on Comprehensive Plan for Sanitary Sewer" by Camp, Dresser and McKee, dated December 20, 1957 and as revised from time to time.

Inserted by the Selectmen.

ARTICLE 40. To see if the Town will vote to amend its Zoning By-Law by adopting the following interim Zoning By-Law:

SECTION IX. INTERIM ZONING BY-LAW

WHEREAS, the Town of Andover is in the process of developing a master plan for improvements and extensions of its sewerage system, and WHEREAS, ill-advised entry of new connections into the system will harm the orderly development of the system.

NOW, THEREFORE, the following article is adopted as an amendment to the Zoning By-Law.

No new sewer connections shall, for a period of two years from the date of approval of this section by the Massachusetts Attorney General's office or adoption of said plan by vote of Town Meeting, whichever date is the longer period of time, be allowed outside the area designed for sewage collection in the "Report on Comprehensive Plan for Sanitary sewer" by Camp, Dresser and McKee, dated December 20, 1957 and as revised from time to time.

Inserted by the Selectmen.

ARTICLE 41. To see if the Town will vote to amend the Andover Zoning By-Law as follows:

A. Amend Section V.A. Table of Dimensional Requirements, by inserting for Single Residence A,B, and C Districts Maximum coverage requirements, to read as follows:

"DISTRICTS"	#10 Max. Coverage, Incl. Accessory Bldgs. (%)
Single A	20
Residence B	15
C	10

B. Amend Section V. Dimensional Requirements, Subsection B. Exceptions and Special Requirements, by inserting a new paragraph 11, referenced to the "Minimum Lot Area" column, to read as follows:

"11. For boarding or lodging houses, dormitories, group housing, hospitals or sanitariums, rest, convalescent or nursing home, or similar facilities, lot area shall not be less than the greater of that required for a single-family dwelling or $\frac{1}{2}$ of the district minimum lot area times the total of the number of persons accommodated plus those employed on the premises."

C. Amend Section VI. Other Requirements, Subsection A. Parking, by relocating and designating subparagraph 4.a Intent and Application to become paragraph 1 (Thus making it applicable to all districts); by renumbering the remaining subparagraphs within paragraph 4. Industrial Districts; and by renumbering remaining paragraphs and references within sub-section VI A accordingly (e.g., existing paragraph 1 becomes paragraph 2).

D. Amend Section VI. Other Requirements, Subsection A. Parking, by striking paragraph 2. Apartment Districts (formerly paragraph 1), and inserting the following:

"2. Residence Districts

a. Schedule of Off-Street Parking Requirements

Dwelling unit having 2 or more bedrooms.....	2 spaces
Dwelling units having fewer than 2 bedrooms.....	1 space
Boarding or lodging house.....	1 space/person accommodated
Dormitory or group housing.....	1 space/2 occupants 17 years or older
Public place of worship or places of assembly.....	1 space/3 seats

All other usesParking requirements to be determined by Inspector of Buildings on advice of the Planning Board.

b. Design Requirements

No parking space which is located more than 200 feet from the outside entrance to a dwelling unit or which reduces the effective width or a driveway providing access to more than one dwelling unit to less than twelve feet shall be counted towards meeting these requirements. Parking areas for four or more cars shall not be located within a required front yard, and shall be screened from any residential use which is abutting or separated from it only by a street.

Screening shall be by a four foot wide planting strip maintained with densely planted shrubs not less than three feet in height, or by grading; fences or walls may be a part of such screening where deemed necessary, but shall not be suitable as a substitute therefor or themselves be left unscreened from abutting areas.

Any way or driveway providing principal access to six or more dwelling units or eight or more parking spaces shall conform to applicable provisions of the Planning Board regulations for minor residential ways. Before granting a Special Permit for a development involving such a way or driveway, the Board of Appeals shall request a report from the Planning Board regarding compliance with these requirements."

E. Amend Section V.B.3 by designating the existing paragraph as "a.", and inserting a new paragraph "b.", to read as follows:

"b. the ground floor area of a building accessory to a dwelling may exceed the ground floor area of that dwelling only if granted a Special Permit by the Board of Appeals upon its determination that the proposed accessory building will not cause visual or functional disruption to the character of the neighborhood."

F. Amend Section II Definitions as follows:

Insert the following:

" 3A. Coverage: the percent of total lot area covered by buildings (see definition)."

Delete the definition of "Structure" and insert the following:

"Structure: Anything constructed or erected to give support or provide shelter, the use of which requires fixed location on the ground, or attachment to something located on the ground, including swimming pools as defined herein and tennis courts, but not including any fence, field, garden wall, earth-retaining or embankment wall, or paved areas not specifically included."

Inserted at the request of the Planning Board.

ARTICLE 42. To see if the Town will vote to accept as a public way and name, La-Mancha Way, as approved by the Andover Planning Board and laid out by the Board of Selectmen as shown on a plan of land entitled: 'Subdivision and Acceptance Plan, Pleasant Street Estates, Andover, Mass., George Chongris (owner), Scale 1"=40', April, 1973, Charles E. Cyr, Civil Engineer, Lawrence, Mass." and said plan is recorded with Essex North District Registry of Deeds as Plan No. 7035, plan and description along with the necessary deed or deeds and easements on file with the Town Clerk.

On petition of William D. Martin and others

Inserted by the Selectmen

ARTICLE 44 To see if the Town will vote to accept as a public way and name, Granada Way, as approved by the Andover Planning Board and laid out by the Board of Selectmen as shown on a plan of land entitled: "Subdivision and Acceptance Plan, Pleasant Street Estates, Andover, Mass., George Chongris (Owner), Scale 1"=40', April 1973, Charles E. Cyr, Civil Engineer, Lawrence, Mass." and said plan is recorded with the Essex North District Registry of Deeds as Plan No. 7035, plan and description along with the necessary deed or deeds and easements on file with the Town Clerk.

On petition of William D. Martin and others.

ARTICLE 45. To see if the Town will vote to raise by taxation, by transfer from available funds or by any combination of the foregoing and appropriate the sum of \$50,000.00 for the purpose of installing storm drains, and to authorize the selectmen to acquire the necessary easements by purchase, by gift or by seizure by right or eminent domain.

Inserted by the Selectmen.

ARTICLE 46. To see if the Town will vote to amend the Andover Zoning By-Law as follows:

OBJECTIVES

Amend Section VI B Signs by inserting the following directly below the title "Signs":

"The following sign regulations are intended to serve these objectives:

Facilitate efficient communication to ensure that people receive the messages they need or want, and

Avoid conflict between signs and the visual qualities of their environs, and

Promote good relationships between signs and the buildings to which they relate.

Maintain visual diversity within commercial areas by avoiding requirement of uniformity.

Support business vitality within nonresidential zones by accomplishing the above objectives without burdensome procedures and restrictions.

GUIDELINES

Amend Section VI B by adding paragraph VI B 4, to read as follows:

"4. Guidelines

The following are further means by which the objectives for signs stated at the beginning of Section VI B can be served. These guidelines are not mandatory, but degree of compliance with them shall be considered by the Special Permit Granting Authority in acting upon Special Permits authorized under this Section, as shall consistency with the basic sign objectives cited above.

"a. Efficient Communication

(1) Signs should not display brand-names, symbols or slogans of nationally distributed products except in cases where the majority of the floor or lot area on the premises is devoted to manufacture, or sale, or other processing of that specific product.

(2) Premises chiefly identified by a product brand name (such as a gasoline or auto brand) should devote some part of their permitted sign area to also displaying the identity of the local outlet.

(3) Signs should not contain selling slogans or other advertising which is not an integral part of the name or other identification of the enterprise.

(4) Sign letter size should be related to the reader's distance and speed.

(5) Sign content normally shouldn't occupy more than 40% of the sign background, whether a signboard or a building element.

(6) Non-verbal devices ought to be considered, since they can provide rapid and effective communication.

(7) Signs should be simple, neat, and avoid distracting elements, so that contents can be quickly and easily read.

b. Environmental Relationship

(1) Sign design should take into consideration the scale of the street to which the sign is oriented, and the size, brightness, style, height, and colors of other signs in the vicinity.

(2) Overhanging signs should be used only in such circumstances as on side streets where overhanging positioning is necessary for visibility from a major street.

(3) Sign brightness should not be excessive in relation to background lighting levels, e.g. averaging not in excess of 100 foot-lamberts in the Downtown-or similarly bright areas, and not in excess of 20 foot-lamberts in unlighted outlying areas.

c. Building Relationship

(1) Signs should be sized and located so as to not interrupt, obscure, or hide the continuity of columns, cornices, roof eaves, sill lines, or other elements of building structure, and where possible, should reflect and emphasize building structural form.

(2) Sign materials, colors, and lettering should be reflective of the character of the building to which the sign relates, just as sign size should be related to building size. (3) Clutter should be avoided by not using support brackets extending above the sign or guy wires and turn buckles.

NUMBER AND SIZE

Amend Section VI B 3 d by deleting paragraphs (2) and (3), redesignating paragraph (4) as paragraph (3), and inserting the following:

"(2) One attached accessory sign per occupant oriented to each street on which the premises have frontage, either attached flat against the wall or fixed canopy of a building, or projecting from it. The area of such sign erected for any occupant shall not exceed 20% of the portion of that wall area assigned to that occupant, and in no case shall an overhanging sign exceed twenty-five (25) square feet in area nor shall any other sign exceed one hundred (100) square feet in area. Individual unlighted signs not exceeding two square feet in area, on windows and identifying the occupants therein, shall be excluded from the above limitations.

"(4) For premises having multiple occupants, a single sign, either attached or freestanding identifying those occupants. The total area of attached signs, including this one, shall not exceed 20% of wall area, and the area of any freestanding sign allowed under this paragraph shall not exceed twenty-five (25) square feet.

"(6) No sign shall project more than five (5) feet over any public right-of-way or other public property. Any sign projecting over a public right-of-way shall be covered by appropriate liability insurance as verified by a certificate of insurance filed with the Town Clerk."

Inserted at the request of the Planning Board

ARTICLE 47. To see if the Town will vote to authorize the Selectmen, for and in behalf of the Town, to grant to Dudley L. Millikin, Jr. and Elizabeth P. Millikin, husband and wife, as tenants by the entirety, both of Andover, their heirs and assigns, for nominal consideration, the right of way and easement to pass and repass, on foot and with vehicles, over the following described parcel of land:

The land situated on the westerly side of Holt Road in Andover, bounded and described as follows:

Beginning at the easterly extension thereof at Holt Road, which point is also the northeasterly corner of land supposed to be owned by Emily Bullock, et als;

thence proceeding northwesterly and westerly in a curved line by land of said Bullock 23.64 feet; said curve having a radius of 15 feet; thence turning and proceeding south 86°37'43" west by land of said Bullock 65.14 feet; thence turning and proceeding westerly and southwesterly by a curve for a length of 122.05 feet, and a radius of 143.31 feet; thence northwesterly by land of the Town of Andover in a straight line 60 feet more or less to a point at land of Dudley L., Jr. and Elizabeth P. Millikin, which point is at the intersection of the stone wall running westerly from Holt Road and the southeasterly line of land of the said Dudley L., Jr. and Elizabeth P. Millikin; thence northeasterly 50 feet more or less by said Millikin land to the stone wall at land now or formerly of P. Hayden and Virginia Clark; thence north 85°24'9" east by the stone wall and land of said Clark 147.84 feet to the westerly side of Holt Road; thence south 19°39'42" east 58.49 feet by the westerly side of Holt Road to the point of beginning.

Being part of the premises taken by the Town of Andover by instrument of taking dated July 31, 1967, recorded with North Essex Deeds, Book 1087, Page 289.

Reference is made to plan of land showing said taking recorded with North Essex Deeds, as plan No. 5701.

The Purpose of this article being to restore to Dudley L. Millikin, Jr. and Elizabeth P. Millikin access to their property, which access was taken by the Town by the instrument of taking above referred to.

On petition of Dudley L. Millikin, Jr. and others.

ARTICLE 48. To see if the Town will vote to raise by taxation, by transfer from available funds or by any combination of the foregoing and appropriate the sum of \$50,000.00 for the purpose of remodeling, reconstructing and making extraordinary repairs to facilities of the Andover Department of Public Works located in the area of Lewis Street.

Inserted by the Selectmen.

ARTICLE 49. To see if the Town will vote to raise by taxation, by transfer from available funds or by any combination of the foregoing and appropriate the sum of \$100,000.00 for the purpose of purchasing and installing water meters.

Inserted by the Selectmen.

ARTICLE 50. To see if the town will vote to raise by taxation, by transfer from available funds or by any combination of the foregoing and appropriate the sum of \$35,000.00 for the purpose of improving the primary access to Andover Recreation Park.

Inserted at the request of the Recreation/Community Schools Committee.

ARTICLE 51. To see if the Town will vote to raise by taxation, by transfer from available funds or by any combination of the foregoing a sum not to exceed \$6,000.00 to pay unpaid bills for which obligation was incurred in prior fiscal years.

Inserted by the Selectmen.

ARTICLE 52. To see if the town will vote to raise by taxation, by transfer from available funds, by borrowing or by any combination of the foregoing and appropriate the sum of \$150,000.00 or any other sum for the purpose of acquiring by purchase, by gift or by right of eminent domain for municipal buildings or other municipal purposes all or a portion of the following described parcels of land and buildings thereon:

Map#	Lot#	Supposed To Be Owned By	Area +/-
55	71A	Lane, Georgina	3,130 Sq. Ft.
55	73	Heifetz, Arthur	5,470 Sq. Ft.

And, further, to authorize the application for and acceptance of any State and Federal aid that may be available in connection with such acquisition; or to take any other action relating to the foregoing.

Inserted by the Selectmen.

ARTICLE 53. To see if the Town will vote to accept the provisions of Chapter 808 of the Acts of 1975 as amended, and to amend the Andover Zoning Bylaw as follows:

Step 1. ADMINISTRATION AND PROCEDURE

Delete SECTION VIII. ADMINISTRATION AND PROCEDURE in its entirety, and substitute the following in place thereof:

"SECTION VIII. ADMINISTRATION AND PROCEDURE

A. Enforcement

1. This By-Law shall be administered by the Inspector of Buildings.
2. Buildings, structures, or signs may not be erected, substantially altered, moved, or changed in use, and land may not be substantially altered or changed in principal use without certification by the Inspector of Buildings that such action is in compliance with then applicable zoning, or without review by him regarding whether all necessary permits have been received from those governmental agencies from which approval is required by federal, state or local law. Issuance of a Building Permit or Certificate of Use and Occupancy, where required under the Commonwealth of Massachusetts State Building Code, may serve as such certification.
3. Construction or uses under a building permit or Special Permit shall conform to any subsequent amendment of this By-Law unless the use or construction is commenced within a period of six months after the issuance of the permit and in cases involving construction, unless such construction is continued through to completion as continuously and expeditiously as is reasonable.
4. If any board, agency, or official or resident of the Town shall complain in writing to the Inspector of Buildings that a provision or provisions of this Zoning By-Law are being violated, identifying the violation or violations he believes to exist and the person or party in violation, the Inspector of Buildings shall investigate such complaint and shall respond within fourteen (14) days to the complainant ruling that a violation does or does not exist. If he rules that a violation does not exist, he shall inform the complainant of the reason for that ruling. If he rules that a violation does exist, he shall so inform the person or party against whom such violation is found ordering him to cease such violation.
5. If the violation is not stopped within an appropriate time following notification, the Inspector of Buildings shall notify the Town Manager for appropriate action. Any person violating any of the provisions of this By-Law shall be fined not more than \$100.00 for each offense. Each day that such violation continues shall constitute a separate offense.

B. Board of Appeals

1. There is hereby established a Board of Appeals of three (3) members and three (3) associate members to be appointed by the Selectmen, as provided in Chapter 40A of the General Laws.
2. The Board of Appeals shall have and exercise all the powers granted to it by Chapters 40A, 40B, and 41 of the General Laws and by this By-Law. The Board's powers are as follows:

Special Permits — To hear and decide applications for Special Permits upon which the Board is empowered to act under this By-Law.

Variances — To hear and decide appeals or petitions for variances from the terms of this By-Law, including variances for use, with respect to particular land or structures. Such variance shall be granted only in cases where the Board of Appeals finds all of the following:

a) A literal enforcement of the provisions of this By-Law would involve a substantial hardship, financial or otherwise, to the petitioner or appellant.

b) The hardship is owing to circumstances relating to the soil conditions, shape or topography of such land or structures and especially affecting such land or structures but not affecting generally the zoning district in which it is located.

c) Desirable relief may be granted without either:

- (1) substantial detriment to the public good; or
- (2) nullifying or substantially derogating from the intent and purpose of this By-Law.

Appeals — Other appeals will also be heard and decided by the Board of Appeals when taken by:

a) Any person aggrieved by reason of his inability to obtain a permit or enforcement action from any administrative officer under the provisions of Ch. 40A, G.L.; or by

b) The Merrimack Valley Regional Planning Commission; or by

c) Any person including any officer of Board of the Town of Andover or of any abutting city or town, if aggrieved by any order of decision of the Inspector of Buildings or other administrative official, in violation of any provision of Ch. 40A, G.L.; or this By-Law.

Comprehensive Permits — Comprehensive Permits for construction may be issued by the Board of Appeals for construction of low or moderate-income housing by a public agency or limited dividend or non-profit corporation, upon the Board's determination that such construction would be consistent with local needs, whether or not consistent with local zoning, building, health, or subdivision requirements, as authorized by Sec. 20-23, Ch. 40B, G.L.

Withheld Building Permits — Building Permits withheld by the Inspector of Buildings acting under Sec. 81Y, Ch. 41, G.L., as a means of enforcing the Subdivision Control Law may be issued by the Board of Appeals where the Board finds practical difficulty or unnecessary hardship, and if the circumstances of the case do not require that the building be related to a way shown on the subdivision plan in question.

3. Public hearings shall be held by the Board of Appeals in accordance with the provisions of Chapters 40A, 40B, and 41 of the General Laws on all appeals and petitions brought before it.

4. Repetitive petitions from Special Permits, appeals and petitions for variances, and application to the Board of Appeals shall be limited as provided in Section 16 of Chapter 40A, G.L.

C. Special Permits

1. Unless specifically designated otherwise, the Board of Appeals shall act as the Special Permit Granting Authority. (SPGA).

2. Special Permits may be granted when the SPGA has found that the proposed use will not be unreasonably detrimental to the established or future character of the neighborhood and town and that such exception is in harmony with the general purpose and intent of this By-Law. In making the foregoing findings, the SPGA shall give due consideration to the specific standards described in other parts of this By-Law, and to the following criteria:

a) the adequacy and accessibility of public highways and municipal utilities;

b) the sufficiency and suitability of off-street parking and loading facilities and screening and landscaping to be provided in connection with the proposed use;

c) the effect on the amenity of the neighborhood which can be anticipated from the conditions created by the proposed use and operation of the premises.

3. Any grant of a Special Permit hereunder may be subject to such conditions or safeguards, including limitations of time and use, as the SPGA shall deem to be reasonably necessary.

4. Special Permits shall only be issued following public hearings held within sixty-five days after filing with the SPGA an application, a copy of which shall forthwith be given to the Town Clerk by the applicant.

5. Special Permits shall lapse if a substantial use thereof or construction has not begun, except for good cause, within 24 months of Special Permit approval (exclusive of time required to pursue or await the determination of an appeal referred to in Section 17, Ch. 40A, General Laws, from the grant thereof).

D. Amendment

This By-Law may be amended from time to time at an annual or special Town meeting in accordance with the provisions of Chapter 40A of the General Laws.

The owner of land proposed for changed use by means of an amendment to the Zoning By-Law may, with Planning Board approval, record a covenant running with the land which places greater restrictions than embodied in the By-Law, upon all or a portion of the proposed use zone to be effective only if the Town Meeting action on the proposed amendment is affirmative. The Town Clerk shall certify to the Registrar of Deeds as to whether the action of the Town Meeting was affirmative or negative.

E. Conflict of Laws

In general, this By-Law is supplementary to other by-laws of the Town affecting the use, height, area and location of buildings and structures and the use of premises. When this by-law imposes a greater restriction upon the use, height, area and location of buildings and structures or the use of land in the Town other than is imposed by such other By-Laws, the provisions of this By-Law shall control.

F. Validity

The invalidity of any section or provision of this By-Law shall not invalidate any other section or provision thereof.

Step 2. NONCONFORMANCE

Delete SECTION VII. NONCONFORMANCE in its entirety and substitute the following in place thereof:

"SECTION VII. NONCONFORMANCE

Nonconforming single or two-family residential structures may be extended, altered or restored if such does not increase the nonconforming nature of said structure. Any other nonconforming building, structure, lot, or use (as defined in Section II, Para-

(Continued on Page 36)

graphs 18 and 19) may be continued, subject to the following conditions:

A. Change, Extension or Alteration

1. As provided in Section 6 of Chapter 40A, General Laws, such pre-existing nonconforming structures or uses may be extended or altered on Special Permit by the Board of Appeals provided that no such extension or alteration shall be permitted unless there is a finding by the Board of Appeals that such change, extension or alteration shall not be substantially more detrimental to the neighborhood than the existing nonconforming use or structure. Once changed to a conforming use, no such structure or land shall be permitted to revert to a nonconforming use.
2. In no case may the use or structure or part of the structure housing such nonconforming use be enlarged or extended more than a sum total of ten (10) percent in volume or floor area during the life of the nonconformity; and provided further that such change shall be permitted only upon the lot on which the nonconforming use is located.

B. Replacement After Catastrophe

1. If a building or structure housing a nonconforming use shall have been damaged by fire, explosion or other catastrophe to the extent of 80% of its assessed value, such building or structure shall not be restored except on Special Permit by the Board of Appeals where the Board finds that such action is required to prevent unnecessary hardship or gross economic loss to the owner, and is not injurious to the district in which it exists.
2. If damaged to a lesser degree, the building may be rebuilt and the nonconforming use restored, provided that in either of the above instances the extent of the nonconformance shall be in no way increased and that the same use, or a use less nonconforming, shall be restored. An opinion from the Town Assessor shall be requested in determining the extent of damage.

C. Abandonment

A nonconforming use of a building or structure which has been abandoned or discontinued for at least two years shall not thereafter be revived or re-activated, and any future use shall conform with the By-Law. A nonconforming use shall be considered abandoned or discontinued when the premises have been devoted to a conforming use, or when the premises have been vacant and the characteristic equipment and furnishings of the nonconforming use have been removed from the premises and have not been replaced by similar equipment within two years.

D. Isolated Lots and Subdivisions

Under Section 6 of Chapter 40A, General Laws, lots not held in common ownership with any adjoining land are generally not subject to subsequent amendments in dimensional requirements, and land shown on subdivision or other plans endorsed by the Planning Board are exempted from subsequent zoning amendments in certain respects for a limited period of time. (See Section 6 of Chapter 40A, G.L.)

Step 3. USE REGULATIONS

Amend Section IV. Use Regulations, Subsection A. Permitted Uses, by striking out the existing Subsection A and by replacing it with a new subsection A to read as follows:

"A. Permitted Uses

No land in any use district nor any building or part thereof now or hereafter erected thereon shall be used for any purpose except such uses as are permitted:

1. as matters of right, denoted by the letter "Y" in the following Table of Uses: or
2. by Special Permit as provided in Chapter 40A of the General Laws and in Section VIII.C. of this By-Law, according to the following:
BA Acted on by the Board of Appeals
PB Acted on by the Planning Board
BS Acted on by the Board of Selectmen; or
3. by variance of the Board of Appeals as provided in said Chapter 40A of the General Laws and in Section VIII B.2 of this By-Law; or
4. by reason of a nonconforming status under Section VII of this By-Law."

Amend Section IV. Use Regulations, Subsection B. Table of Use Regulations by striking out the "SP" column entries opposite item 34A, "General Removal of soil ...", and replacing them with "BS," and further by striking out all other "SP" entries existing in that table prior to this amendment, and replacing them with "BA."

Amend Section IV. Use Regulations, Subsection B. Table of Use Regulations, by striking out paragraph 6 (leaving the column entries unchanged), so that it reads:

"6. Religious or educational uses exempt from zoning prohibition by Section 3, Ch. 40A, G.L. if otherwise in compliance with this By-Law; municipal facility voted at a Town Meeting; any use or facility for conservation of natural resources, for the preservation of historic sites, or for park or recreational purposes, and held for public use by a private, non-profit organization."

Amend Section IV. Use Regulations, Subsection B. Table of Use Regulations, by striking out the existing paragraph 31 and by replacing it with two new paragraphs 31A and 31B under other Main Uses to read as follows:

	SR	AS	RS	BS	CA	PT	SC	OP	GB	IG	IA	ID
31A. Agriculture, horticulture, floriculture on parcel of more than five acres. See Section VI. G.	Y	Y	Y	Y	Y	Y	Y	Y	Y	Y	Y	Y
31B Agricultural or crop land including the raising of livestock on parcels of 5 acres or less; provided that the above shall not be construed to permit the operation of piggeries, poultry farms or establishments raising animals primarily for the sale of their fur. See Section VI.G.	BA	BA	BA	BA	BA	BA	BA	BA	BA	BA	BA	BA

Amend Section IV. Use Regulations, Subsection B. Table of Use Regulations, paragraph 40 by striking out the sentence "See Article VII, (Building Code), Section 50A for exception," and inserting the following in place thereof:
"which may be the wall or fence of an above ground pool if equipped with removable ladders."

Amend Section IV. Use Regulations, Subsection B. Table of Use Regulations, by inserting the following new paragraph 48 under Accessory Uses, to read as follows:

	SR	AS	RS	BS	CA	PT	SC	OP	GB	IG	IA	ID
48. Accessory Scientific Uses (See Section VI.I.)	BA	BA	BA	BA	BA	BA	BA	BA	BA	BA	BA	BA

Amend Section VI. Other Requirements by striking out the existing Subsection G. Agricultural Uses, and inserting the following in place thereof:

G. Agricultural, Horticultural and Floricultural Uses

All uses under paragraphs 31A and 31B of Section IV.B. Other Main Uses, shall satisfy the following conditions:

1. Adequate provision shall be made for the garaging of all tools, farm machinery or vehicles incidental to the proposed use.
2. Any structure larger than 6'x6'x7', used for the above purpose or for providing housing, pens or enclosures for livestock, shall be located at least 100' from any property line.
3. In a residential district, provisions for landscaping and screening of any structure in excess of 2,000 square feet of ground floor area shall be made as set forth in a written statement or sketch or both filed with the Board.
4. Adequate provision must be made for the sanitary disposal of animal wastes and for complying with all relevant Board of Health regulations.

Amend Section VI. Other Requirements by inserting the following new subsection I to read as follows:

"I. Accessory Scientific Uses

Uses, whether or not on the same parcel as activities permitted as a matter of right, accessory to activities permitted as a matter of right, which activities are necessary in connection with scientific research or scientific development or related production, may be permitted upon the issuance of a Special Permit by the Board of Appeals provided the Board finds that the proposed accessory use does not substantially derogate from the public good."

Step 4. CLUSTER DEVELOPMENT

Amend Section VI. Other Regulations by striking Subsection D. Special Development Plans in its entirety, and by inserting in place thereof a new Subsection D. Cluster Development to read as follows:

"D. Cluster Development

The Planning Board may grant a Special Permit for the construction and occupancy of a Cluster Development on a tract of land of 10 acres or more, in any Single Residence District other than the Single Residence A District, subject to the following regulations and conditions.

1. Dimensional Requirements

- a) the total area of open space (see below) plus all lots in such proposed development shall not be less than the product of the total number of lots times the minimum lot size for the zoning district in which the development is located, and in no case shall the individual lot have less than two-thirds of the required lot size for the zoning district in which the development is located.
- b) The aggregate street frontage of lots in such proposed development, counting only one frontage for corner lots, shall not be less than one-half the product of the number of lots times the minimum frontage requirement for the zoning district in which the development is located, and the minimum width of any individual lot shall be 100' measured either at the street line or at the required front yard setback line.
- c) Only lots fronting on a proposed "minor" street, being either a turn-out street, a cul-de-sac or dead-end street, may have reduced area or frontage.
- d) All lots on existing town or public ways or lots having principal frontage on proposed "collector" or "major" streets of the development (see Subdivision Rules and Regulations) shall conform to the frontage and area requirements of the zoning district within which the development lies.

2. Design.

The Planning Board shall approve a Special Permit for a Cluster Development only if it finds that the proposed disposition of lots and buildings under the particular circumstances involved will make more efficient the provision by the Town of health, safety, protective, and other services without detracting from the character of the neighborhood.

3. Open Space

- a) All land not designated for roads, lots for dwellings, or other development within the development shall be held for common open space. Common open space shall be preserved for recreation or conservation, and shall comprise not less than 30% of the land within the Cluster Development. Such open land shall either be conveyed to the Town of Andover and accepted by it for park or open space use, or be conveyed to a non-profit organization the principal purpose of which is the conservation of open space, or be conveyed to a corporation or trust owned or to be owned by the owners of lots or residential units within the plan, articles or corporation or trust to be legally drawn up and available for review by Planning Board prior to final approval of the plan. If such a corporation or trust is utilized, ownership thereof shall pass with conveyances of the lots or residential units. In any case where such land is not conveyed to the Town, a restriction enforceable by the Town of Andover shall be recorded providing that such land shall be kept in an open or natural state and not be built upon or developed for accessory uses such as parking or roadway. All such open space shall be restricted by deed from all future building.
- b) Before final approval of the Special Permit by the Planning Board, the developer shall state which of the three options he wishes to exercise, and such disposition shall be recorded as a restriction on the development plan.

Amend Section V. Dimensional Requirements, by striking out in the first paragraph the term "(Special Development)" and inserting in place thereof the term "(Cluster Development)".

Step 5. DEFINITIONS

Amend Section II. Definitions, by deleting from paragraph 2. Accessory Building the last sentence which reads as follows:

"No permit required for buildings 6'x6'x7' or less."

Step 6. TERMINOLOGY AND REFERENCES

Amend Section IV.B, 34A by changing the reference to 'Sec. VI.1.1.' to read 'Sec. VI.E.1.1.'

Amend Sections VI.A,5,a, (5) and (8); VI.F,3; VI.G; VI.I,4 by changing the references to 'Section VIII,B,2' to read 'Section VIII,C.'

Amend Section VI,B,2,a by changing the references to 'Section IV,B,3.' to read 'Section VI,B,3.'

Amend Section VI,B,3,c, (3), by striking out in the second sentence the words 'an exception' and inserting the words 'a Special Permit for an exception' in place thereof.

Amend Section VI,B,3,c, (4) by striking out the words 'special exception' and inserting the words 'a Special Permit for an exception' in place thereof.

(Continued on Page 37)

(Continued from Page 36)

Amend Section VI,B,3,c, (5), by striking out the words 'special exceptions' and inserting the words 'Special Permits for exceptions' in place thereof.

Amend Section VI,H,2 by changing the references to 'Section VI,A,4,(c)' to read 'Section VI,A,4. (b)'.

Inserted at the request of the Planning Board.

ARTICLE 54. To see if the Town will vote to raise by taxation, by transfer from available funds or by borrowing or by any combination of the foregoing and appropriate the sum of \$150,000.00 for the purpose of undertaking and completing a property value equalization program and to authorize the Town Manager to engage professional consultants for this purpose.

Inserted by the Selectmen

ARTICLE 55. To see if the Town will vote to amend the By-Laws of the Town of Andover by adding the following to Article 4:

Section 7 — Compensation Fund

(1) At the Annual Town Meeting, a sum of money, not to exceed one per cent (1%) of the total assessed valuation of the Town of Andover, may be appropriated for undetermined salary adjustments in the ensuing Fiscal Year and shall be known as the "Compensation Fund" and shall be governed by the following rules of use and administration:

(A) The Compensation Fund may only be used to supplement those Personal Service Line items as appropriated by Town Meeting in order to comply with the provisions of labor contracts for the ensuing Fiscal Year which have not been signed by the first business session of the Annual Town Meeting.

(B) Transfer from the Compensation Fund account to Personal Service line items may only be accomplished with the approval of a majority of the Board of Selectmen upon the written request of the Town Manager.

(C) As a minimum amount of information to be included by the Town Manager in his request for a transfer from the Compensation Fund will be:

(1) The basis for the request for transfer of funds.

(2) The total amount to be transferred to each Personal Service line item.

(D) A report of the transfers made from the Compensation Fund to the various Personal Service line items shall be included as a part of the Finance Committee's Annual Report.

Inserted at the request of the Finance Committee.

ARTICLE 56. To see what disposition shall be made of unexpended appropriations and free cash in the treasury.

Inserted by the Selectmen.

ARTICLE 57. To see what amount the Town will vote to permit the Assessors to use in Free Cash to reduce the 1978-79 tax rate and to affect appropriations voted at the 1978 Town Meeting.

Qualifier Races Set For Sunday

The Eastern Massachusetts Qualifier Race to select those Buddy Werner League racers eligible to represent Massachusetts at the Eastern Ski Association's Thomson Trophy race at Pat's Peak, New Hampshire, will be held on Sunday, Feb. 26 at the Bradford Ski Area.

Twenty-six Andover racers were selected from a field of 437 possible racers to enter this Qualifier race. From this choice group of racers a team consisting of 30 racers, with five girls and five boys from each age group, will be picked to represent the state against teams from New Hampshire, Vermont, Maine and New York.

The designated racers who will compete at Bradford in the first step to the finals at Pat's Peak representing Andover are as follows: Girls age 8 and 9 — Katherine Smith, Ellen LeMaitre, Susan Gerstenberger and Cheryl Crawford. Boys age 8 and 9 — Thomas Sutton, Robert Carpenter, John Shaw, Alex Eckel, and Mark Baldwin. Girls age 10 and 11 — Tina Sutton, Stacey Hostetter, Sally White, Brenda Buster, Kristina Zissis. Boys age 10 and 11 — Thomas Bride, Ellis Eckel, Kirk Orrell and Larry Cuddy. Girls age 12 and 13 — Vicki Simpson, Amy Hostetter, Linda Weiner, Alane Sullivan, Johnna Treska. Boys age 12 and 13 — Michael Smotrich, Chris Mattson and William Baldwin.

The race will begin promptly at 9 a.m. All racers should be at the hill as early as possible so that they may register, pick up their bibs and have an opportunity to study the course.

The next scheduled snow practice will

be held at Bradford Ski area, Wednesday, March 1, at 6 p.m.

Kings iced the game in the third period by outscoring the Nets 16-4 in the third period. Trailing by 15 entering the final period, the Nets pulled off a fine comeback, outscoring the Kings 20-9 to get the game close. E.J. Perry and Scott Tobey were the Kings floor leaders while Larry Strasberg played well defensively.

Kings: Perry 22, Tobey 14, Bill DiAdamo 2, Hugh Meier 2 and Dave Newman 1. 16-25-41.

Nets: Mike MacDonald 19, Tom Stedman 7, Mike Blair 5, Jim Dietzel 4, and Kevin Wilson 2. 13-24-37.

CELTICS-42, BULLETS-23

The Celtics picked up their fifth straight win in dropping the slumping Bullets. The Celts did the damage in the first half, taking leads of 16-6 at the quarter and 30-10 at the half. With the game well in hand the Celtics coasted in the second half while playing the Bullets even. Jeff Saulnier rebounded well in a losing cause while Frank Ferris and Colin Radford played well defensively.

Celtics: Ben Bram 18, Mike Yuska 10, John Barrett 4, Jack Kramer 4, Adam Wise 4, and Bob Emberley 2. 30-12-42.

Bullets: Saulnier 12, Jay Robbins 4, John Robbins 4, Radford 2 and Chris Valcourt 1. 10-13-23.

Washington Hall.

This popular musical is enacted by ten clowns, who engage in a variety of acting techniques, including mime, pantomime, and dance, in a tradition of dramatization of religious stories based on the life of Christ that goes back to the middle ages. The music is fresh and contemporary, and like the acting, varied. There are ballads, soft lyrics, soft-shoe routines and hard rock.

The production is open to the public.

Square Dance

Class and club level dancers are invited to join "Shuffling Smoothies" for a "George Washington Ball" on Tuesday, Feb. 28 from 8-11 p.m. at Moose Hall, North Street, North Reading (one quarter mile off Rt. 28). The caller is Bob Sicard.

Pet Inn, Inc. — Finest Professional Grooming

When your pet requires grooming, take him to the professionals at Pet Inn, Inc., 23 Jackson Street, Methuen. Your dog or cat is always given the finest care and consideration at Pet Inn and is handled the way you would treat him yourself, with loving care.

Pet Inn offers grooming services for all types and all sizes of dogs, by appointment only. Any and all services your pet requires are handled with care by the groomers: clipping, bathing, dips if needed, medicated baths if needed, combing of long haired

animals. They also do combing and detangling on long hair cats, and bathing as well.

Mrs. Dorothy Hoffman, owner of Pet Inn, always has your pet's comfort and well-being in mind. She is well qualified to advise you on proper care of your dog or cat. She employs girls who are experienced in handling animals. They know how to carry out their grooming services in the easiest manner for the comfort of your pet.

Grooming at Pet Inn is done under the auspices of a vet. Only the finest products are used at all times, to insure the health of

your pet. A full line of animal care supplies is always in stock, again under the auspices of a vet, so you can continue this good care at home.

As a convenience to customers, Pet Inn carries a good selection of pet supplies of all kinds. You can pick up a new collar, leads, sweaters, coats, bowls or toys when you call for your pet.

Make your pet's grooming appointment now. Call Pet Inn at 685-4304. Open daily 8:30 to 5, Saturdays till 3 at 23 Jackson St., Methuen. Master Chg. & BankAmericard accepted.

ONCE IN A LIFETIME A DREAM CAN COME TRUE

This is a house of superlatives! An 1830 Federal Colonial on
over four North Andover acres with views of rolling farmland.
It has been lovingly tended and awaits an active family who
enjoy traditional warmth while pursuing a multitude of in-
terests.

You are welcomed through the hall to a large fireplaced living
room, A den with a fireplace, formal dining room, powder
room and a special fireplaced breakfast room adjoining the
modernized kitchen complete the smooth flowing plan. The
back ell is a spectacular 2 story, lofted room, perfect for
entertaining. There is also a separate sewing room. Upstairs
contains 5 bedrooms, 4 of which have fireplaces, and 2 full
baths.

The grounds are lovely with old stone walls, perennial gar-
dens and enough trees to supply all seven fireplaces.

UNSEEN FACTORS

When you consider buying a home in a new locality, you'll want to know as much about the town and neighborhood as possible. Much of this information you can get from "eyeballing" the area, but there are important factors which the eye cannot see.

For example, local property taxes, public services, public transportation, hospitals, churches, community facilities. What are the zoning restrictions? Are there any unusual deed restrictions common to the area on how you might use, alter, or expand your property? What are the future prospects for the

neighborhood?

A good, local Realtor can be a quarry of such information. He should have a feeling born of the familiarity for the specific neighborhoods in his territory. Level with him at the outset about what you want and he'll do his darndest to help you find it. That's what he's there for.

If there is anything we can do to help you in the field of real estate, please phone or drop in at **THE HOWE AGENCY, 4 PUNCHARD AVE., ANDOVER. Phone: 475-5100.** We're here to help.

Clark

(Continued from Page One)

salary or \$22,000 on Feb. 23, 1976.

He came to Dover from Cumberland, Maine, a community of 5,000, where he served as town manager. Prior to that he had served as business administrator for Lincoln Park, New Jersey and as administrative assistant in Gloucester, Mass.

Clark told Foster's Daily Democrat, Dover's daily newspaper Wednesday that he felt among his accomplishments while manager there was to bring management by direction, rather than management by crisis.

Reporters at the newspaper told the TOWNSMAN they considered his administration a good one, noting among accomplishments his establishment of an industrial park on the outskirts of the city. This effort resulted in five local industries moving from the downtown area to new locations in the park. Had this not occurred, the industries would have moved elsewhere.

He also instituted a computer system for city and school bookkeeping, with water and sewer billing now on line, and the remainder of the town's accounting functions being programmed in at present. Also among his efforts was the pollution abatement project which has resulted in

separation of storm water drainage from sewage.

Clark has also improved personnel matters among municipal employees, it was indicated. Among policies he put into effect was one in which merit increases were awarded public safety department employees after annual written and physical examinations.

In Cumberland, Maine, Clark was responsible for the construction of new municipal building and a new highway department garage, acquisition of a municipal golf course and municipal tennis courts.

He developed certain professional assessing standards for the town and computer processing of tax bills. He instituted zoning and planning ordinances, created a board of health and a department and board of recreation.

While administrative assistant in Gloucester, he was responsible for industrial development and installation of a computer system for town and school department payrolls.

In Lincoln Park, N. J. his duties included labor negotiations with municipal employees and the development of a regional sewer authority.

He is a 1970 graduate of Fells Institute, Wharton School of Finance and Commerce, University of Pennsylvania and received a B.A. degree in 1966 from Wilmington College, Wilmington, Ohio.

Selectmen will confer with Clark on Saturday to complete terms of the new contract in Andover.

The position was formally advertised by Andover selectmen following Austin's resignation, Oct. 18. The resignation followed a long period of controversy between Austin, who had served as manager for eight years. Initially told in January of 1977 that his contract would not be renewed when it expired in August, a change in the membership of the board of selectmen last year, resulted in Austin being told in April that he would be retained for another two years. In late August, the

present four members of the board debated the legalities of offering the manager a contract for any less than five years, as stipulated in the charter. The end results was Austin's resignation in October and his assistant, Cohen being named acting manager.

Clark will be Andover's fourth manager since the inception of the charter in 1958. Thomas E. Duff was the town's first administrator and failed to win contract renewal when his five year term expired. Richard J. Bowen, announced his intention not to seek reappointment as his term neared an end in 1968, then resigned to accept the city manager post in Portsmouth, N. H. Austin was awarded a three year renewal of his first five year contract as the town's third manager, in 1974.

President Of Methuen Firm

Unitrode Corporation (NYSE) has announced that Robert R. Feier has been promoted to the position of president of its wholly-owned subsidiary, Unitrode Computer Products Corporation.

Feier has been a vice president of the subsidiary since 1971 when that company, which he co-founded, was acquired by Unitrode. He holds a B.S. degree in engineering science from New York University and M.S. degree in physics and engineering management from Northeastern University. He has 17 years of experience in the semiconductor industry.

Feier and his family live in Andover.
